**THE SEVENTIETH REPORT**  
OF THE  
**UPPER CANADA BIBLE SOCIETY**

An Auxiliary to the Canadian Bible Society  
Which is an Auxiliary to the British  
and Foreign Bible Society

**For the Year Ending December 31st, 1909**

Being the 81st Year of the Society's Operations under its  
Successive Names of "York Bible Society," "City  
of Toronto Bible Society," and "Upper  
Canada Bible Society."

With a Report of the Anniversary Meeting held January  
24th, 1910; Fifth Report of the Canadian Bible  
Society, and a Synopsis of Report of the  
British and Foreign Bible Society.

TORONTO:  
Hill Printing Company, 45-47 Hayter Street  
1910

## A CENT A DAY

THERE are many people who love the Bible Society, and believe in the work which it is doing, who are not in a position to give a large amount when the collector calls, yet want to help the work, but do not know how to do it. For all such we have prepared a beautiful Collecting Box in the form of a Bible, in which they can drop their small change from time to time ; also Collecting Cards for those who wish to collect for the Bible Society.

A Cent a Day (which often would never  
be missed) makes a handsome sum  
at the end of the year.

Then, friends who come to call, seeing the box, are led to drop in a few cents to help buy Bibles for the heathen, who have never heard the wonderful story of Jesus. It is astonishing how the littles accumulate. A snowflake on the mountain-top is an avalanche by the time it reaches the valley ; so the small daily offerings of the many will help to advance the Kingdom of God in this world. Will you not be one who will give at least a cent a day to Bible Society work ? If so, if you will drop a card to the Secretary, Rev. J. Gibson, 347 Yonge Street, Toronto, full information will be sent regarding Collecting Boxes and Cards.

*LAWS AND REGULATIONS*  
OF THE  
**UPPER CANADA BIBLE SOCIETY**

*As adopted at a General Meeting of the Society, held in the City of Toronto,  
on the 3rd day of August, 1855, and amended at General Meetings  
held on the 13th day of April, 1880, 18th day of November,  
1887, 30th day of May, 1895, 6th day of May,  
1902, and 17th day of December, 1907.*

( UNDER THE ACT OF INCORPORATION )

ARTICLE I. This Society shall be denominated the "UPPER CANADA BIBLE SOCIETY," having the same object in view as the British and Foreign Bible Society—that is, the circulation of the Bible without note or comment.

II. This Society shall endeavor to unite all Bible Societies in the Province, and to concentrate their operations, in order to give more efficiency to the whole.

III. The Society shall maintain, in the City of Toronto, a general depot of Bibles and Testaments, from which all Societies in connection with it shall be supplied with the Scriptures at the lowest price at which they can be afforded.

IV. The business of the Society shall be carried on by a Board of Directors, to consist of a President, Vice-Presidents, Treasurer and Secretaries, and a representative from each Branch, as provided in Article V., together with twenty clerical and twenty lay members, so selected as to give the Board always, as before, a representative character as regards the principal religious bodies interested in the work of the Society, five of whom shall form a quorum. The three clerical and the three lay members who shall have attended the least number of meetings of the Board, shall not be eligible for re-election, except in cases where the non-attendance has arisen from illness, or absence from the city, or where

the member has been present at not less than five (5) of the regular monthly meetings of the Board, etc., in which case the Board may nominate such member or members for re-election.

V. Each Branch Society shall be entitled to a representative on the General Board. The President of the Branch shall be *ex officio* such representative, or any other resident member whom the Committee may appoint as substitute, who shall be a member of such Branch.

VI. At any meeting of the Directors the President, or in his absence the Vice-President, first upon the list then present, and in absence of such Vice-President, the Treasurer, and in his absence such member as shall be chosen for that purpose shall preside.

VII. Each person paying annually one dollar shall be a member of this Society; and persons paying fifty dollars at any one time, either to this Society or to any of the Branch Societies in connection therewith, or through them to the British and Foreign Bible Society, or who may have rendered important services, shall, at the discretion of the Directors, be declared Life Members.

VIII. Each Life Member of this Society shall be furnished with a certificate of membership upon the corporate seal of the Society, duly signed by the President and Secretary.

IX. The Board of Directors for the time being shall have the appointment of the Permanent Secretary, Agents, Depositary, Colporteurs, Book-keeper and assistants of the Society, and the fixing of all salaries and allowances, and shall have the superintendence and management of all the property, real and personal of the corporation, as well as the management and control of its general affairs and the appropriation of its funds with full power to enact such rules as may be requisite to effect the objects contemplated by the Act of Incorporation.

X. The Board of Directors shall meet for the transaction of business on the third Tuesday of each month, at the hour of 7.30 p.m. Special meetings may be called by the Secretaries at any time, at the request of the President or any three Directors.

XI. The financial year of the Society shall end on the 31st day of December, and the annual general meeting shall be held on the last Tuesday of January, or at such other time as the Directors for the time being may deem best in the interests of the Society; when the Officers and Directors for the ensuing year shall be chosen, a report of the operations of the Society during the foregoing year shall be presented, together with the Treasurer's and Depositary's accounts duly audited. Special general meetings may be called at any time by the Board.

XII. In case of death or removal of any Director or officer during the year, the Board shall at the next ensuing meeting thereof fill each vacancy.

XIII. The Permanent Secretary shall have the custody of the Corporate Seal of the Society; and all instruments requiring to be executed under such seal, shall be signed by the President and the Permanent Secretary, and any instrument which operates as a release of a money claim shall also be signed by the Treasurer. In case, on account of the absence from the city, or the illness of the officers whose signature to any instrument is required under this rule, such signature cannot be conveniently obtained, such instrument may be signed in his or their stead, by such other persons as the Board may from time to time direct. The President, Treasurer and Permanent Secretary, shall upon the receipt of any legacy, or other moneys payable to the Society, have authority, without a special direction of the Board, to execute under the Corporate Seal, any release or acknowledgement in respect thereto, which they deem necessary or expedient.

XIV. No alterations of these By-laws shall be made except at a General Meeting of the Society, and after one month's notice of the proposed alterations has been given to the Board.

*Grants to Sunday Schools and Missions.*

---

1—Mission Churches and Schools under denominational auspices are not in general to be considered fit objects for the gratuities of this Society ; but Missions among Indians, Jews, French Canadians, Chinese, Italians, etc., though under denominational auspices, are not to be taken as coming under this general rule.

2—All applications for grants of Bibles to Sunday Schools or Missions should be made upon the forms heretofore prescribed, which will be furnished by the Secretaries. The applicant shall state the condition of the school or mission, the number of scholars and teachers, or of the attendants, as the case may be ; the amount of funds at the disposal of the managers ; who are its officers ; and why it is necessary to make such application. These applications should in every case be certified by a minister of the Gospel, or some person of known respectability.

3—Grants shall be made by the Secretaries only to destitute settlements, and shall be reported at the next regular Board meeting.

Jesse Ketchum not only did good with his money in his life time, but left large sums invested for the purpose of putting Bibles and good books in the hands of the Public and Sunday School children of Toronto and Buffalo. The good which he did was not interred with his bones, but "he, being dead, yet speaketh." Are there not others who will follow his example?

*SEVENTIETH ANNUAL REPORT*

OF

THE UPPER CANADA BIBLE SOCIETY

FOR THE YEAR ENDING DECEMBER 31, 1909.

Merchants, at the beginning of the year, are in the habit of taking stock. Travellers, when they reach the top of the hill, cast a backward glance over the way which they have come. We would do the same in presenting this Seventieth Annual Report of the work of the Upper Canada Bible Society, and the One Hundred and Fifth Annual Report of the British and Foreign Bible Society. As we review the past year's work of our Auxiliary and of the Parent Society, we feel that there is much to make us thank God and take courage.

**Entered into Rest.**

Since our last Annual Report several of our esteemed Vice-Presidents have been called to their rest and reward. Archbishop Sweatman who was Primate of all Canada in his own Church, and beloved by all for the simplicity, friendliness, and blamelessness of his character. He was always the friend and earnest supporter of our work. Rev. Dr. Gregg and Rev. Dr. Maclaren, our two oldest Vice-Presidents, whose wise counsel was always helpful. Mr. A. T. Crombie, the oldest Director in point of service on our Board, and was for many years an active member of the Agency and Colportage Committee. Donald Gunn, Esq., Toronto, and David Cash, Esq., Port Perry, two of our old Life Members. Mr. Cash was for about fifty years the mainstay of the Branch at Prince Albert. These brethren will be greatly missed. The Board extends to the members of their families their deepest sympathy.

**District Secretaries.**

We wish to place on record again our high appreciation of the splendid work done by our District Secretaries, Revs. W. E. Hassard and R. J. Bowen. They have simply been indefatigable in their work of visiting the branches; at no point have they spared themselves. From scores of letters received at the Bible House we know that the branches are more than satisfied with the action of the Board in appointing these specialists to present our work.

**Provisional Agents.**

As the District Secretaries could not cover the whole field, their work has been supplemented by that of several Provisional Agents. We wish to thank these brethren for the efficient service which they have rendered the Society.

### **Havergal College.**

Again we have to record with gratitude the grand work done by the students of Havergal College, Toronto, under the inspiring leadership of the Principal, Miss Knox, and the teachers associated with her. They collected this year the magnificent sum of \$200.00. If one of the real ends of education is to give clearer vision—larger horizon to the students, and bring them into sympathetic interest with every good cause, then this is being accomplished by Miss Knox and her coadjutors in Havergal College. During the year the Secretary had the pleasure of giving an illustrated Lantern Lecture, entitled, "From Cape to Cairo with the Bible Society," to the students.

Are there not other Colleges who, for the sake of the millions for whom there is not a single copy of God's Word in existence, would like to follow the example of Havergal College? If so, if they will drop a card to the Secretary, Rev. Jesse Gibson, 102 Yonge Street, full information will be sent regarding collecting boxes and cards. Also, the Secretary will be pleased to give an Illustrated Lantern Lecture on the world-wide work of the Bible Society at any of the Colleges at any time.

### **The Work Among the Jews.**

Never in the whole history of Bible Society work in Canada has there been such a demand for Hebrew and Yiddish Scriptures as there has been during the last two years. We have had the invaluable assistance of the Jewish missionaries, Mr. H. Singer and Rev. S. B. Rohold. Mr. Singer has sold 823 copies during the year, and Mr. Rohold 698.

Mr. Singer writes,

"It is wonderful how the Lord is turning His people toward 'The Book'; while it is true that the Jews have always believed the Old Testament to be the inspired Word of God, yet they always read it with their traditions; but now they are willing to read the Word of God alone, without being made void by traditions."

Mr. Rohold adds his testimony, "God is working mightily amongst poor erring Israel, for there is a great longing for the Word of God. There has never been a time in history when the ordinary Jew longed to read and possess the Word of God as at present. We sell as many Scriptures now in a month as we used to sell in a year, and the distributing of the Word is a most important factor in leading men and women to Him who is the Light and Life-Giver. We must be more in earnest about it."

### **The Forward Movement in Missions.**

We rejoice at the wonderful success that has crowned the efforts of the "Student Volunteer Movement" in raising an army of men and women ready to go to the regions beyond; and also those of "The Laymen's

Missionary Movement" in leading the Church to consecrate its wealth to the sending forth of these laborers. A brighter day than any since Pentecost has dawned. Never in the history of the Church were such large and enthusiastic meetings held to consider ways and means for the carrying out of Christ's last command to preach the Gospel to every creature. Never were so many intelligently responding to the Divine Challenge. "Whom shall I send, and who will go for us?" with "Here am I: send me," as to-day. Never has the Lord entrusted such great wealth to His professed Church as to-day, and never was that wealth more generously given for the purposes of the Kingdom. We are living in the strategical hour of the world's history—the focal point—"the fulness of the time." Better to live to-day than "a cycle of Cathay." We feel sure that this movement is not of man and ephemeral, but unmistakably of God, and so will be lasting.

We wish in this Report to call special attention to the basal work of the Bible Society in relation to Missions. In our enthusiasm to erect the superstructure, we may forget to lay broad and deep the foundation. In our earnestness to send soldiers to the front, we may forget that unless they are armed with "the Sword of the Spirit, which is the Word of God," they will be unable to meet the foe. "The Woolwich Arsenal," whence the Missionaries draw their weapons, is the Bible Society. John R. Mott says: "Without the translation of the Bible into the various vernaculars, it would be impossible to diffuse the knowledge of the Gospel throughout the world in a generation." Bishop Steere wrote from Zanzibar—words which can never be quoted too often:—"I feel here that our work must be all unsound without a vernacular Bible, and this the Bible Society has made possible for us." At the Transvaal Missionary Conference, held in Johannesburg last autumn, the Bible Society was described as "the foster-mother of Missionary undertakings."

But, though Missionaries on the firing-line recognize the fundamental necessity of Bible Society work, and gladly give it its proper place, many at home, even some who are leaders in Missionary work, never seem to have adequately realized this. **We would call special attention to the fact that the translations of the Scriptures into the language of the people amongst whom the religion of our Lord took root was the first solicitude of the Apostolic Churches, and, almost without exception, remained the policy of the Church to the sixteenth century.** St. Chrysostom, of the Golden-mouth, the most illustrious name after the Apostolic age, says: "The doctrine of St. John did not in such sort (as the philosophers did) vanish away; but the Syrians, Egyptians, Indians, Persians, Ethiopians, and infinite other nations, being barbarous people, translated it into their (mother) tongue, and have learned to be (true) philosophers." And King James' translators quote this and a similar passage from Theodoret, which says: "Every country that is under the sun is full of these words (Scriptures), and the Hebrew tongue is turned not only into the language of the Grecians, but also of the Romans, Egyptians, Persians, Armenians, Syrians, and Sauromatians, and briefly into all the languages that any nation useth." And then, after a detailed account of similar work reaching through the Middle Ages, they say: **"So that to have the Scriptures in the mother tongue is not a quaint conceit lately taken up; but hath been thought upon and put into practice of old, even from the first conversion of any nation."** Carey followed this plan.

in India, Judson in Burmah, Morrison in China, Moffat in Bechuanaland, McKay in Uganda, and Paton in the New Hebrides. The great lesson of Christian Missions is that you can have no permanently successful Missionary work unless we follow the Apostolic practice, and found it on the Word of God. We want Christian converts on the Mission fields to have the help of Bibles in their own tongue. We know that neither the individual nor the Church can develop into full maturity and strength without this help. "We want them to look into that achromatic mirror in which, without refraction or distortion, they may see Jesus. We do not want them to have the distraction of rival Bibles, nor the disadvantage of eccentric Bibles, nor the darkness of unlearned Bibles. We want them to have the best that the best men can give them." We want them to have what we have in this country, an authorized version, so that if a man passes from one part of the land to another, he does not pass from one version of the Bible to another, but wherever he is, he reads from the same Book, next Sunday as he read last Sunday, and he is able to do this because of the benign influence which the Bible Societies have brought to this task, to furnish one authorized version in every language. Surely a Society which is doing this work for every Church of every nation deserves the earnest, prayerful, generous, sympathetic support of every lover of Missions.

With these facts before us, we would call the attention of all Christians in Canada to the need of observing some proportion in their gifts to Missions and to Bible Society work. We have seen it stated that it is expected as a result of the Laymen's Movement that the Protestant nations—Germany, United States and Great Britain and her Colonies—will send at least one thousand new missionaries to the foreign field per year, for the next five years. Now, if this be so, from whence are these Missionaries to be furnished with Bibles? The only source of supply to-day, speaking generally, is the Bible Societies, whose resources are being taxed to the utmost to keep pace with the present demands. There must be a correspondingly large increase of income for the Bible Societies, if they are to meet the demands that must inevitably be made upon them by these increased efforts in Missions. We call special attention to these facts, that our whole constituency may be seized with them, and that we may have an advance together all along the line.

## THE NEW NORTH LAND.

Ever since the settlement of Canada the tide of immigration has flowed toward the West. The great plains, with their possibilities for grain and cattle raising, Western Alberta and British Columbia, with their natural resources of lumber, mines, fruit lands and fisheries, have been the objective points for the adventurous immigrant. That portion of Ontario lying between the Muskoka Lakes and the Manitoba prairies was looked upon as a kind of rubbish heap, where the unused material in the construction of a continent was cast helter-skelter. There was timber enough to pay to remove it, but when it was gone, nothing was left but a chaos of rocks, lakes, rivers and little jack pine. Part of it, because of its altitude and bracing ozone, would furnish a natural sanitarium for consumptive and nervous people; but the bulk of it was thought to be only fit for a reservation for Indians and game, and the weary traveller gave a sigh of relief when he had passed through this tedious wilderness on his road to the golden West. Now all this is changed, and instead of a rubbish heap we

find we have the greatest nickel and silver camps in the world, with an abundance of iron and copper, and, if reports can be believed, gold as well. Then from New Liskeard north to James Bay stretches the clay belt, whose potential agricultural possibilities are little realized by those who have not seen them; and a large portion of this clay belt is covered with pulpwood sufficient, if made into paper, to print all the newspapers and books for the world for the next 100 years. During 1909 Cobalt camp produced over \$1,000,000 a month, and every week there are rich discoveries that make one's eyes stand out to see them. As one journeys over the 252 miles of the Temiskaming and Northern Ontario Railway, from North Bay to Cochrane, up the Montreal River two days' journey from Latchford, to Gow Ganda, and sees the mines, lumber, pulpwood and the agricultural possibilities of the country, one cannot help but feel that Ontario has been especially favoured by a bountiful Providence in having such a rich heritage within its boundaries.

### **A Man's Country.**

The first thing you note as you journey through this northern land is that it is a man's country—men are everywhere in evidence, women comparatively few. This you specially notice in Gow Ganda, Elk Lake, and all up the Montreal river, and in Cochrane district, and in the Railway Construction camps of the Grand Trunk Pacific. Then you are impressed with the splendid order maintained all through the district, so different from that found in mining camps of many other countries. The refusal of the Government to allow the sale of liquor in the district has much to do with this. Of course you hear of "blind pigs," where it is surreptitiously sold; but on the whole, the law is well enforced.

### **Men of Many Tongues.**

Another thing that impresses you is the polyglot character of the population—men from all parts of the world are gathered together. Our ten Colporteurs working in this district have been asked for the Bible in over thirty different languages. In Canada the Bible Society has been asked for the Bible in over eighty different languages. All the churches together preach the gospel in only about twenty-three tongues. The Bible Society provides the Bible in ALL these languages.

### **Citizens to Be.**

These many tongued strangers are the raw material out of which the Canadian nation of the future is to be built. How shall we blend Russian, Pole, Armenian, Italian, French, German, Greek, Bulgarian, Bohemian, Dane, Swede, Hungarian, Norwegian, Persian, and others into one homogeneous mass? They not only have so many different languages, but so many different ideals from our own. For example, they have different conceptions of the family and the Sabbath. Two institutions of to-day have come down to us beautiful with the innocence, and radiant with the glory of Eden—the Sabbath and marriage. These have withstood the Fall and all its sad consequences. They have outlived all the upheavals of society, and all the cataclysms of time. They are absolutely essential to the highest good of the race. On the Sabbath stands the glorious structure of the religious life, and on marriage the security and happiness of social life. No nation can be truly great that lowers the standard in regard to the ideal

Sabbath or the ideal home. But in the North and West land, many of these strangers have no home—they herd together like cattle; and no respect for the Sabbath—they work on it or treat it as a holiday, rather than a holy day,—a day of rest. I cannot think of the unsanitary, indecent, and sometimes I am told, immoral conditions of many of the camps which I visited without a feeling of great sadness.

### **The Colporteur Abroad.**

If these are to be the future citizens of Canada, then every well-lover of his country will see the necessity of trying to plant in the hearts of these men the seed of the Word of God. Into these mining, lumber, and railway construction camps, our Colporteurs have gone with the Bible; and everywhere have been kindly received. Mr. Lloyd Rist, a student of Toronto Bible Training School, has done splendid service in Cochrane and in the camps on the Grand Trunk Pacific, east and west, for about 150 miles. In these camps he found about 1,800 men, speaking about twenty different languages. Everywhere the men received him kindly. The Russians especially were glad to receive the Bible in their own tongue. Mr. Rist made the journey some four or five times over this 150 miles of road, on "shank's mare," sometimes soaked to the skin, walking through water and mud, wet to the knees—for days at a time without a dry foot, but feeling amply repaid by the joy shown by the men who are so glad to get God's Word in their own tongue. Mr. Rist says, "I could hardly get the only sample I had back after showing it. It makes one's heart glad to see the men who are 'on piece work' all leave their work to look at the Bible, and after they have given their orders for the books, standing around and talking about it. Dozens of times big gangs of men have been eager even to have a look at the Book when they have found out what it is. I received at least 180 orders on this trip, besides selling all my samples."

Upon one occasion when crossing the river, on a tree for a bridge, Mr. Rist slipped and fell with 75 pounds of books into the water; and it was only with the help of the Church of England missionary that he recovered them. During these journeys Mr. Rist lived largely in the camps, receiving kindness everywhere. The town of Cochrane, which was his headquarters, is beautifully laid out by the side of a little lake. It is governed by the Railway Commission, and though less than a year old has about 1,000 people living there.

Mr. T. R. Sorton, another student from the Bible Training School, commenced his work at Englehart, and went from there to Charlton, and then followed the trail into Elk Lake, walking the whole distance. He says, "This gave me an opportunity of visiting the men on the road in. There had been a good deal of rain, so the trail was anything but good for travelling. A half a dozen times did I sink up to the knees in mud and water, and I found extraction at times very difficult, by reason of the heavy load of books I had strapped to my back. My condition reminded me so much of Christian in the Slough of Despond. Man's chief torment in this new country is the mosquitos and black flies. Painful experience taught me that they are to be shunned. For three days after my arrival at Elk Lake my face and neck were badly swollen, and I could hardly see. On the trail I got stuck fast in the mud, and in trying to extricate myself the strap that bound my books to my back broke, and the Gospels were scattered broadcast, in a way that I did not intend to scatter them. Sales were not very brisk in Elk

Lake, owing to the large number of French Catholics, and the utter indifference of the people to spiritual things. The rush is for money and they cannot see the utility of taking time to read God's Word. Truly, this is a materialistic age. In spite of all the hardships of the trip I can say that the joys of a Colporteur far outweigh his trials.

Taking advantage of the dry weather, I struck the trail for Gow Ganda. I had the choice of two routes, one by canoe, the other walking. I chose the latter, as it gave me an opportunity of calling at the mining camps at Silver Lake, and also the stopping houses en route. I covered the thirty-three miles in two days with a load of about fifty pounds, without serious mishap.

The country all around here is thickly wooded, rendering going from place to place difficult, just a trail led to some of the houses visited. While the forest is infested with bears, yet the terror of mankind up here is the mosquito and black fly, especially the latter. As I write my neck is swollen by their bites, which are at times painful. Hundreds of people go south during the black fly season.

The people at Gow Ganda received me with respect, but showed an utter indifference to the claims of God. Some expressed their wonder and amazement at the idea of a Colporteur in Gow Ganda by saying: "Well, of all the funny things I've seen in Gow Ganda, this is the funniest." One young married woman would not look at my Scriptures, because she said "They give me the blues."

I visited by canoe a large number of the mines five and six miles down the lake. At one mine my Bibles went like "hot cakes." How it did gladden my heart.

Many of the prospectors would set aside the Word, saying they had no time to read, but they had time for a game of cards, etc.

A woman whom I sold to breathed out a heart-felt "Thank God" when she knew that I purposed visiting every house in Gow Ganda with the Bible, and added that the people up there badly required it."

Mr. Arthur C. McCollum, another student from the Bible Training School, did splendid work in the North Bay and Parry Sound Districts. The following from his reports will show the work which he did.

"In North Bay and the surrounding country the Roman Catholics form about one-third of the entire population, and work among them is almost fruitless, although I did sell large Bibles to two or three of them. The work among the Italians in the Bay was one of the bright spots; very few of the adults can read their own language, but those who could, or had children who could, bought copies of the Scripture.

Have found the country work rather difficult, as the rural districts are so thinly populated. Many of the poorer farmers, discouraged by the poor crops of recent years have gone to Gow Ganda and other points. The weather has been very dry, and the mosquitos exceedingly annoying.

I visited a camp of French river-drivers, and, being unable to sell them anything, I gave them two cheap Testaments in their language, but I learn-

ed next day that they had put them in the stove. The Catholics are quite stirred up at this time, as their Mission Fathers have been busy among them.

One meets with some peculiar receptions by the womanfolk just at this time, while housecleaning is in vogue; and it often requires no little tact to obtain a hearing at all, and not be put down as a peddler. One seven year old boy, knowing that I was coming, gathered up all the rags, rubber, etc., that he could find, and sold them to the "boney man" to obtain funds for purchasing a Testament.

I had a long talk with one elderly gentleman, which terminated in his accepting Jesus as his own personal Saviour. I also had a lengthy interview with a Roman Catholic widow, who was dying of cancer. She seemed to appreciate it very much."

George Tester, another one of the students of Bible Training School, did good work in the Soo district. This is Mr. Tester's third year as Colporteur. He also served us for two years as Collector in Toronto. He reports visits made to the jail, among the sailors, among the Indians at Garden River, and among the foreigners. From his reports we take the following as a sample of his work.

"One Frenchman, after a kindly greeting, perused the Book of Proverbs for ten minutes. At length he said, "I will take it; it is a good book."

I met one man very near the Kingdom, who had been unable to work for years. On showing him a large type Psalms, he said, "I would like that." He was very gratified to receive one free.

I have given away several portions in some six or seven different languages, and some are to be used in the hospitals here. I could sell only a few books in Little Italy, and that with the greatest difficulty. I traded one to an Italian for his girl in exchange for three oranges.

A Greek, who had been a sailor, and travelled much, visited my room, and together we read from the 1st Chapter of St. John.

I visited a nursery, and saw a group of men buying seed. Drawing their attention, I said, "I have some good seed here, the Seed is the Word."

I placed about 24 Portions in 5 languages in a Contractor's Camp.

I have done well amongst the Syrians. They are always willing to buy if they are not supplied.

I have got along well amongst the Chinese, and have sold them more than ever before. One day I accosted one on the street, and he accepted an invitation to visit me. He got a New Testament, and also subscribed to "The Bible in the World." I am trying to teach Lee Pony and Lee Hung to read, and together we discuss. They show me kindness and appreciation. Lee Hung thinks there is no book to compare with the Bible.

I struck a bargain with a man recently burnt out for 6 Bibles for his children at \$1.00.

"I love the world" one man said when approached. "I love the Word," I replied naturally.

"I am all alone now," said a lady in a black gown. "Hardly that," I replied, "the Lord is still with you." I sold her a copy of the Psalms. A great comfort for those in affliction.

J. B. McLaren did good work for us in the opening months of the year along the North Shore of the Georgian Bay, on St. Joseph and Manitoulin Islands. He had a very difficult field and much to discourage him, but in the face of it all he did splendidly. He removed to British Columbia in the spring to take up work there. He writes:

"Many of the roads are blocked up with snow, fences in many cases out of sight, until a thaw set in a few days ago. You can understand this state of matters did impede the work very much. You will be pleased, however, to observe that by taking advantage of the three days in April, the sale of all the stock has been completed except a few foreign prints. The sale on this part of the Island is poor, and for the past two years the greater part of the crops have been destroyed by grasshoppers, causing farmers to buy fodder to feed their stock, but, in many cases, they have been obliged to dispose of their stock, being unable to procure food for them. Most of the saw mills have been at a standstill, and lumber camps have been few. There is consequently a scarcity of cash in circulation."

J. W. Yeomans was sent to the Cobalt mining camp and the adjacent district. He had much to contend with, but succeeded in disposing of many copies of Scripture. He writes:—

"The people seem to be glad to get the Word of God, no matter to what Church or nationality they belong. I am expected to read to the sick, to pray, to hold service, or to sing, and having had some experience in these I am able to do so.

"There are some features of my work that may be worth noting. In regard to Roman Catholics, I find many of them as ignorant of the Bible and New Testament and real salvation as it is possible to be. These only know what, and will only do what, the priest tells them. When dealing with such I try to listen carefully to what they say, and then use some passage in the New Testament to help them in their error. I try to avoid any argument about religion or churches, and to keep their mind fixed on the Word. They receive me well, if I get into the house. Sometimes they shut the door, and often are very positive about not buying. They are carefully taught not to read the Bible. A great many say they have not time to read any Bible, but that they ought to; others make light of it, sneer, do not believe it, or seem to hate it.

I went into a broker's office one day where six or seven men were sitting. They were disposed to sneer at the Bible, and said it would not pay dividends, but a few earnest, outspoken words seemed to show that underneath the mask they knew better well enough.

In the town of New Liskeard I have found Syrians, Chinese and French besides the English people. In religion I have found Jews, Latter Day Saints, and Millennial Dawn people, besides the regular denominations. I find people with every possible kind of idea and theory in regard to the best way of saving themselves, but there is little difference of opinion as to the Bible being the authority for man in all these matters, whatever mean-

ing they may get out of it. As a rule, people are glad to get the Scriptures at the prices offered, and are interested in them and in the work."

C. G. Stone did faithful work among the men in the railway construction camps, the trainmen and railway employees, farmers, miners, and lumbermen. He went to and fro on a very difficult field with earnestness, tactfulness, a willingness to endure hardship, and a sunny smile which enabled him to make friends among all classes. He sold hundreds of copies of the Scriptures in many tongues. He says:—

"I have at last finished the district between Port Arthur and the border of Manitoba. I tried to do it well, and I feel I have done my best to reach the people, and given as many as I could a chance to get the Book. Now I am the length of one division east of Port Arthur on the C. P. R. I have not called at all the section houses on account of the deep snow and cold, which made it impossible. I have already found two dozen people destitute of Scriptures, and I have only given away two Bibles, and three Testaments. One man who was destitute was a French Canadian, about thirty years old, who said neither of his parents had ever had a Bible, so he bought one for himself. Another home, where the people were Roman Catholics, I did not think there was much use in going to, but the man of the house bought a Bible from me. At the next house I found the man outside cutting wood. When I told him what I came for he said, "My wife would not let me do anything like that; but go in and see the missus, perhaps you can do business with her." I went into the house, but she said she did not want to have anything to do with it unless her husband was there. She expressed a desire to have one, but I saw was afraid to buy, so I offered her one, which she took. A Roman Catholic lady said she would like to have one, but had no money; so I gave her one also. I walked to a section-house where there were three Italians, and each bought a Bible, and one bought a New Testament as well.

I have had everything to encourage me in this work. Last night I was out and sold two Russian Testaments and two Polish Testaments, and three Gospels according to St. Matthew; and to-day I sold another Polish Testament.

Since leaving Port Arthur, I have sold over one dozen Bibles to Italians alone, besides a lot to Russians, Poles, Swedes, and Finlanders, and to several English, who had no Bible. The other day I went to a small place, and sold two books to the section men, one Bible to the operator, and one to the pumpman, which is a very common thing to do,

So far I am real glad that I started on this new district. I have been in a lot of places where no Colporteur has been before. I feel very thankful God ever permitted me to have a share in this work."

James Capill has labored in Fort William, Port Arthur, and along the lines of the C. P. R., C. N. R. and G. T. P. to the boundary of Manitoba. Concerning his work he says: "Last Saturday I called at a home in the foreign section of this city, and talked to a little girl whose parents speak Slovak. I asked her if she had a Testament; finding that she had none, I gave her one, and made her promise to read a little every day, and also tell her mother about it.

I knocked at a door to-day, and when I made my business known, the person to whom I was speaking showed me a book she had in her hand, which was God's Word in Finnish. I examined it, and found it was published at the same place as those I have received, which would indicate that it was purchased from the Bible Society. Thus the seed which may have been sown a year or so ago is bearing fruit, for nobody can read God's Word with an open and sincere heart without being elevated.

I had quite a long conversation with a Jew the other day. He could understand German better than English, so I got a German and English Testament, and found him certain passages in English, and he was able to read them in German. As a result I got him to buy a Testament.

The other day I came across a poor man who had had both his eyes blown out by an explosion. I had quite a long talk with him, and came away feeling honoured that I had been privileged to lift up to that poor unfortunate soul, in my humble way, the cross of Jesus.

The nearest point on the Transcontinental Railway from here is 22 miles distant. It is reached by boat up the Winnipeg River. I did not arrive at a camp upon my first night up there until it was too late to see the men. I found that the spiritual condition of the men out there is simply deplorable. The name of God is scarcely if ever mentioned by them, except in blasphemy. One evening I held a service in a caboose. I spoke from the words of the 3rd Commandment. All present gave me a very respectful hearing, and I had hoped that my labors amongst them might bear a little fruit. But, oh, I was soon to be disappointed, for I had occasion to visit that car a few minutes later, and I found all the men cursing and blaspheming as much as ever.

I travelled the line for a full week without coming across anyone who made a profession of Christianity, and I was just beginning to think that I was almost like Elijah, that I was the only man along that line that was Christ's, when to my great surprise and delight I found four negroes from whose faces beamed forth the very radiance of the Christ-life. You cannot imagine how strange it seemed that amongst that great company of men, there were only four I could call brothers, and they were of a race which from childhood we have been taught to believe are not on the same level as the white man.

I am by no means discouraged with camp work, although the results attained are not very great; yet I realize that if they were all saints, there would not be the scope for colportage and mission work amongst them."

I called upon a lady the other day, and immediately when I presented my Bibles she said, "Is it a Catholic Bible?" Of course I told her that the Society that published the Bibles was undenominational, and after a little conversation, she decided to have one at 25cts. I spoke a few words upon it being God's Word, His Truth concerning Himself and us, and that if we want to know the Truth, we must read for ourselves. Her reply was "That is just what I want to know." I believe that is the heart-yearning of many sincere Roman Catholics, but they are so held down by their priests. "I get all my religion from the altar" is not an uncommon phrase when dealing with Roman Catholics."

Mr. T. H. Stewart, one of the students from Wycliffe College, Toronto, worked the district around Sudbury from Parry Sound to Chapleau. He had a great deal of ground to cover but he did his work well and from many points we have heard most satisfactory reports. He writes : " I have spent ten days working in the town of Sudbury, and the last half day of the month in Copper Cliff. I have visited homes of every kind, and have sold the Scriptures in the following languages :—English, French, German, Italian, Polish, and Finn.

Almost all the people I have come in contact with were able to buy if they wished. I have only given away one book, which was an Italian Testament. I gave it to a man who was delighted at seeing a book in his own language, but was unable to buy, as he was out of work.

Many of the families who had just come out from England were almost destitute of Scriptures, and were glad to get the books at such reasonable prices, as they are very expensive in the stores.

Much of my time was spent in the mining towns, where the people are moving in and out continually ; but during the latter part of the month I worked in places where the people were stationary. Some left their farms, as work around here is very scarce. Almost all had Bibles, as Mr. Gripps and Mr. Coulter worked in this district last year.

The Italians seemed very pleased in some places to get a Bible in their own language, while others have them, and still many will tell you that they do not want Protestant books.

There are large numbers of Finlanders in Copper Cliff and Victoria Mine. The work among them is difficult, as they very frequently waive you off or close the door before your face.

The mining towns are full of peddlers, and the Finnish women, who cannot understand English, think I am one.

As I went into a Polish shack, the men all left the room hurriedly. I afterwards found out that they there sold liquor, and were very suspicious of me being a detective.

The work has been almost wholly among English and French, the majority of which were Roman Catholics. These would not harbor the thought of having a Protestant book. I have been told at different times that if the Bibles had a cross on them, they would be all right for Roman Catholics.

The work in Chapleau was very interesting. A large number of the inhabitants are Indians, of both the Ojibwa and Cree Tribes. I attended a service at the Ojibwa Reserve. On Sunday I went out to a lumber camp thirty miles from Chapleau, and held two services. The cook house was crowded at the evening service with Indians, Roman Catholics and Protestants.

Most of the people of Sellwood are French, and there were two French Colporteurs among them a month or so ago. The Finlanders who were there said they had Bibles in their own language. One Polish lady, after looking through a Testament, said she could not find the Mass in it, and it wasn't like their Church books, but she afterwards bought it.

I went into a tent of Italians, and only one could read in their own language, and he bought one."

Mr. E. W. Roughley has had a very trying year on a difficult field. Only the strong conviction that he was doing God's will in scattering His Word could have enabled him to bear up under the hardships and trials through which he has passed. He has been sick himself, his horse died, and, after a long illness, his wife passed to her reward. In the face of these trials he has pursued his work with unflagging zeal. The following will give some idea of what he has had to endure :

"I have travelled over a large and sparsely populated part of the North country, and, to my knowledge, I have not passed a single house, encountering cross dogs, and cross men and women ; but praise be to His name, I have had the joy of witnessing two persons pass from death unto Life by receiving the Lord Jesus. I have preached 13 times, and have had the privilege of selling 96 copies of the Holy Scriptures. This has entailed some hardship for both myself and my pony. On the 24th, 25th, and 26th of the month there was a fierce snow and wind storm, which kept up incessantly for forty-two hours. On the 26th I started out, and was three hours and a half going three miles. In crossing a burnt pinery all traces of the road were completely covered, so I tied my pony to a tree, and tramped through the wet snow, which was above my knees, for over an hour before I found the road. I was now as wet as if I had stood in water above my knees. I then drove about a mile, when the pony and cutter got into a snow drift, and could not proceed. A man came to my assistance, and after shovelling and tramping for over an hour, I was compelled to unhitch, turn the cutter around, and retrace my way, and try another road. I finally got to where I had my dinner at 2 o'clock, and perhaps you can better imagine than I can describe how I appreciated it."

"The simple story of God's love has been spoken (we trust in love) in many homes. When you consider that 369 visits from house to house have been made, you can understand in some measure the extent of the work. In two cases I have given Scriptures to old people who were poor and destitute. In one instance I relieved a middle-aged woman who is a widow. She told me she had never had a Bible in her house since she was married, and some of the family are grown up."

L. A. Gredys is a Roumanian Jew, a student in the Toronto Bible Training School. He speaks several languages and has worked very successfully among the foreigners both in Toronto and Hamilton. The following are extracts from his reports :

"I wish you could have seen some Roumanians, Armenians, Bulgarians, and Macedonians get around me when I told them I had books in their own language. When they found out that it was the Bible I had to sell, many of them could hardly find a place good enough for me to sit down.

Before taking a book in their hands they wipe them on their pants or shirt-sleeves, and handle the book with great reverence.

It certainly was a great joy for me to see the face of an Armenian light up, as he began to read the New Testament in Eastern fashion (singing the straight prose).

A Polish man and his wife expressed their indignation at my going around to sell Protestant books to faithful Catholics like the Polish people, and besides, me being a Jew. The woman said I had no right to handle the Bible. I told her that the Bible was more a Jewish than a Gentile book, and that Jesus Himself was a Jew. She tried to contradict my statements in the hottest terms I ever heard a woman, who claimed to be a follower of Christ, use.

After selling some Bibles and Testaments in an Italian settlement, one told me to "get out of here" with my books, but, at the same time, another young Italian, who a few days before bought a New Testament from me, came over and said: "Hello, Mister, you know dat book you sold me, dat's fine line, you bet dis fellow don't know. I never know about it; you bet dat fine book sure."

A young Greek who bought a New Testament said, "I am going to tell more boys to buy Bibles, but why didn't you put a cross on the cover?" When I told him that the cross is to be embossed on the heart and not on the cover, he said, "That's good."

J. H. Fell has been engaged in special work among the Italians and other foreigners in Toronto. He has done faithful work. He writes, "In my work amongst the Italians I have found that the greatest difficulty in the way of the spreading of the Gospel amongst the people is that about one-half of them cannot read; and this fact holds good amongst the fruit-store-keeping class as well as amongst the laboring classes. Amongst the fruit store keepers there is a much greater and marked prejudice against any book or person as being Protestant or Evangelical; but as they are almost totally ignorant as to the true meaning of these terms, this prejudice is not natural, but has been instilled into them, and is very difficult to overcome. This prejudice does not exist to nearly the same extent amongst the laborers. I have visited some 25 boarding houses, in each of which I have found from 6 to 14 persons; in some not one could read; in others only one or two could read a little. I have found practically all the laborers very anxious to learn to read Italian, and even more so to learn English, and ready to attend night school; but I am sorry to say that few evinced any interest in moral teaching or religion, or the Bible as the Word of God, but bought from me chiefly because the Testaments and Gospels I had to offer were printed in the two languages.

In a large number of the houses of the laboring class that I have visited, they live, for warmth, in the basements, which are lighted by a single smoky oil lamp. These places are untidy and dirty, children playing on the floor, the women cooking, and the men, perhaps 10 or 14, sitting in the semi-darkness around a long deal table, with a can of beer in the centre, some eating, some sleeping with their heads on the table, whilst the rest are playing cards, and swearing. In one house they spurned the

Testament as soon as I showed it to them, and turned fiercely against me, saying it was a false book, a Protestant lie, and that in it was not mentioned the name of Mary, which was purposely omitted. I turned to St Luke 1. 27-35, and read the passage. They then grew more calm, but would listen to no further reason, and requested me to leave the house.

One boy 12 years of age asked his parents to buy him a Testament, as it was a "good book," and "taught good things." He could read both English and Italian. His parents refused, saying that they had no money to spare for such things. He was so sorry he could not have the Testament, as he only had 30c. of his own. His parents being willing, I let him have it for 30c. He was much rejoiced, and at once commenced reading passages from St. John to his parents, saying "Did not I tell you it was good?"

Two Italian youths told me one day that they and their companions were in the habit of meeting in their spare hours to study English together, and that one day one of the young men brought with him an Italian-English Testament, which he had bought from me, and suggested the use of it as a reader. They became so interested in the good things they read therein, that now, after their study of English, they always remain while one of their number reads a chapter to them in Italian. These same two youths, who had previously refused to buy from me, asked to "be allowed" to buy, one a Bi-lingual Matthew, and the other an Italian Testament.

Several Italians have bought Testaments, and requested me to address them to relations in Italy.

Illiteracy is the greatest obstacle to the circulation of the Scriptures amongst the Italians, and it is sad to find so frequently groups of 10 to 15 men, all susceptible to good influence, but unable to profit by the Scriptures placed within their reach, by reason of not even one of them being able to read. The teaching of the Italians to read is the key to the situation, and must precede any extensive spread of the Scriptures amongst them."

Rev. R. Fairbairn, B.A., has done faithful work among the foreigners in Toronto in visiting from house to house and reading the Word of God. It is hard to tabulate his work, but the following from his reports will give some idea of what he is doing:

"My visits to the hospitals were especially interesting this year. I found quite a number sick, both foreigners and English-speaking people. They received the Word of God with all readiness. One young Scotch woman, who has only been a short time in this country, wept bitterly while I was reading. Her neighbor informed me it was because of her lost condition. I told her that she was the very one Christ came to seek and to save:—"The Son of Man is come to seek and to save that which was lost."

During the past year two Italian converts have gone to the Springfield College, Massachusetts, and are there studying in order to qualify themselves as Missionaries. One of them is a very good English as well as an Italian student. Both were converted through my labors. One of them went a year ago to Italy, and held meetings in a town near where he was born and brought up. He returned, and is now at Springfield College.

A great many Italians have left Toronto. Some have gone to the United States, and others have gone to Italy, and they are carrying the

Scriptures with them, as a very large number have the Word of God in possession at least, and I trust many of them in their hearts also.

Many other foreigners have also received the Word of God, and the seed will, no doubt, according to God's promise, bear fruit more or less, though unknown to us.

Mrs. D. Protich has been engaged during the year as Bible Woman among the Syrians, Italians and other foreigners in Toronto. During the year she has visited hundreds of homes to read and pray with the inmates, and, where possible, to sell the Scriptures. The following extracts from her reports show the kind of work which she is doing :

"In an Italian family I visit, an old man was sick. I asked his daughter, a young girl of twelve years, if she could read. She said "yes," so I gave her an Italian Testament. The next time I went she was sitting by the bedside reading to him. He seemed much pleased, and listened to the Word with great attention.

In another family I visit, a young girl bought a New Testament. Her mother said "This is not our Bible ; it is a Protestant Bible." But she kept it, and is learning to read it.

I am teaching eight Syrian girls to read Arabic. Four of them are now able to read in the Gospel of St. Matthew. I visit them once a week.

I visited a Syrian family, and found that the mother had been ill with rheumatism for about six months. I read the VI chapter of St. Matthew, and she, her husband and daughter were very glad to have some one read to them in their own language, and they listened attentively. The old man asked me to get him an Arabic Bible. I did so, and he was delighted, and said to me "I have been in Toronto thirteen years, and did not think I could get an Arabic Bible in Canada."

While visiting in Chestnut St. I entered into a Jewish home, where I found three children. I asked one of them (a little girl about eight years old) if she could read English, and she said "yes." I said "I have a nice book for you to read." She said "I don't want it. I know it is a Jesus Book." Then the youngest sister, who was about six years of age, said "Oh, don't say that ; Jesus is our Lord, and we have many blessings through Him." I said to her "Yes, and when you read it you will find very good stories in that Book, and what Jesus did for you. Then she took the Book and promised to read it. We pray that God's blessing may rest on this little girl to see the Light."

Though we handed over our branches in Alberta to form a new Auxiliary we continued the Colportage there until about May 1st when the new Auxiliary was in a position to take it over. Our two Colporteurs Thomas R. Turnbull and Rev. Martin Bergh did faithful work during that time.

Thomas R. Turnbull reports as follows :—" In a Slav home I was received with great caution, but my humble Novi Zakona excited the desire of a little maid of 5 years, and she wept for her mother to purchase. After consulting her husband, she did so, handing the 10 cents to her little girl to pay me. Disclaiming connection with "Catholic" awoke apprehension, which was strengthened when I would not promise to bring prayer-beads. But next day the sequel revealed that one night's persual had dispelled all fear. The mother liked it, and wanted the whole Bible!

In another Slav home, where the man had fallen upon hard times since the fire, I gave a New Testament, which he thereupon dedicated to his little girl, when she was able to read. Inwardly I prayed that its pages would be allowed to outshine ere that event transpired.

I found a Russian so eager to possess a Bible, he brushed aside the fact that he had been 10 weeks without work, and borrowed 50 cents on the strength of a future income, and thus secured, through the passing visit of the Colporteur, a copy of God's Treasure of Grace.

I expected a decided 'no' when I saw a nun at an open door, but the frank open manner with which she entered into conversation with me surprised me. After being satisfied that I had the Scriptures in the Polish language, the usual questions were put—what kind of Bible? Have they the sanction of the Church? Do they have a commentary? Suitable answers were given, the last answer being "A commentary is unnecessary, as God has told us the entrance of His Word giveth Light." I found there were two nuns thus interested, but they pleaded "no money," and obtaining the assurance that they would not hand the Bible to the priest, I presented a copy in the Polish language.

But there was an instance of bread cast on the waters a year ago, which brought inexpressible joy to my heart. A New Testament was sold to a Japanese woman during my work a year ago in Fernie, and on that occasion I sold an English New Testament to another person in the house, chiefly through the influence of the Japanese woman. She stood up bravely for what she knew to be right, and her broken English, spoken from a simple heart, carried by storm the opposition of a negress to the Word of God. I can see her now as she stood pleading: "May be you sorry—you so long time read—you not member—me not read much—me not Xlistian—me read more—perhaps me be Xlistian." With the New Testament in her own tongue coming back into her life, came a deeper thirst to know the Lord. She has been diligently reading ever since, and now she declared to me that she had no doubt at all but what God had received her into the Household of Faith, through His Son Jesus Christ. I asked how she knew, and her reply was so refreshingly simple—"Nobody teach me—I read the Bible, and I think, and God help me think, and I know. Now I hope God will stay with me always." I gave her His promise that He would never leave us. "Oh! that is

good," she exclaimed. She was preaching to her own countrymen, and was instrumental in helping me to dispose of Scriptures amongst them. The Scriptures this month represent : German, French, Japanese, Chinese, Russian, Ruthenian, Polish, Italian, Swede, Spanish, Hungarian, Slovak, and Greek.

Rev. Martin Bergh reports as follows :—" On my visit to Lethbridge I was quite encouraged. I met a large number of Scandinavians with whom I held services or private conversation. Several seemed to be impressed with the need of seeking salvation through faith in Christ, and, of course, those who had not a Bible wanted one.

There is great need of such work among these people, not only in Lethbridge, but many other places, as they often do not hear the Gospel in their own tongue for a year or more, and many of them do not understand English. It is a great privilege to bring them the Word of God, and impress upon their hearts not only the necessity of possessing it, but of using it.

In Riverside I did well the first day, but after that the Lutheran Minister went from house to house ahead of me, and told the people not to buy my Bibles. They were no good, he said, because they were the Revised Version. I met him in one of the homes, and told him kindly, but plainly, what sort of work he was engaged in, and I wanted him to show me where the Bibles were wrong. This he failed to do. Riverside is a German settlement.

In Red Deer I visited the Public School, and sold a number of Scriptures to teachers, and took orders for 40 Testaments to be put in the hotels. These Testaments I did not have on hand, so had to put off delivering them till I got another supply.

I intend to spend some more time in the south, but at present I believe it would be well to look after Calgary, especially to try to meet the great needs of immigrants coming in. I see by the late papers that land-seekers are just flocking in, and I feel it is right we should meet them with the Word of God."

### **Toronto Exhibition.**

Once more we had our Bible Stand at Toronto Exhibition, and we are glad to be able to report that we had the greatest success in our work there that we have ever had. We reprint the Report of the work at the stand from the " Bible and the World."

"This is the exhibit of the Bible Society, the only Missionary exhibit in the Exhibition. We provide Bibles in all languages. When this Society was organized the Bible was only printed in some 35 living languages. To-day it is printed in some 520 languages. This Society prints it in 418. Up to the time of the organization of this Society, only som

four million Bibles had been printed in all the world ; through its instrumentality and that of the sister Bible Societies, some four hundred and twenty million copies have been printed in whole or in part. Two hundred and fifteen million of these have been printed by this Society. This is a partial exhibit of more than eighty languages in which the Bible has been asked for in Canada. Notice especially the 19 Diglots, by means of which we are trying to Canadianize and at the same time Christianize the foreigners coming to our country."

Similar information to the above was constantly given both verbally and by the printed page, to the 750,000 people who passed and repassed the Bible Society stand during the two weeks of the Toronto Exhibition.

Some seemed to think that there was an apparent incongruity in exhibiting and selling Bibles amid such surroundings. Right across the aisle was an exhibit of bar furniture and billiard tables, down a little farther an exhibit of whiskey, and still farther a stand for the sale of beer. We constantly heard sarcastic remarks such as "Beer and Bibles," "Bar and Bibles," "Whiskey and Bibles." Others felt that it was just the testimony that was needed amid the rush of commercialism and sight-seeing. One of these silenced a number of objectors with the remark, as he laid his hand upon the open Bible. "You can say what you like gentlemen, but it is simply an incontrovertible fact that if it were not for this Book, there would be no Exhibition. Our forefathers never held such an Exhibition until they came under the influence of this Book, and no heathen nation holds such an Exhibition. Let us be honest. All that we have and are we owe to this Book."

A crowd of Americans passing remarked, as they pointed to the large type edition of the New Testament and Psalms "Why here is the Wash Tub edition of Coney Island." When asked what they meant they replied : "Why they sell them in large type like that at Coney Island, so you can read them as you work at the washtub."

Three Roman Catholic women asked for Gospels. One said "I do not know whether we dare read them, as there is no cross on the outside." The reply was made that there is the story of the cross inside, and turning to the Gospels the story of the crucifixion was read. They each bought a Gospel.

At the Midway there was a Hindoo, who professed to foretell the future for 10c. A crowd of merry-makers coming from there, seeing the strange languages displayed on our stand said "Can you foretell the future?" "No, but we have a Book that does," and taking up the Gospel we read John 3: 36 "He that believeth on the Son hath everlasting life, and he that believeth not on the Son shall not see life." We sold them three Bibles, and they passed on in a more serious frame of mind, we hope.

Another crowd wanted to know if we sold novels, and the reply was that we had a very interesting story entitled "Joseph, or From the Pit to the Throne," and several other stories equally interesting were to be found in the same Book, which we were selling. A conversation ensued, at the close of which we had sold two Bibles, and as we wrapped them up, one said, "I first heard that story at mother's knee, and would like to read it again."

We had the largest sale of Bibles we ever had at any Exhibition. We disposed of 1033 copies of Scriptures, and the sales were \$228.35.

One pleasing feature was the number of foreigners that came to seek for the Bible in their own tongue. One good woman, speaking in broken English, said, "You no got the Book in my language?" When asked what her language was, she replied, "Bohemian," and we had the pleasure of selling her a copy; and when we showed her the book she fairly danced for joy to see the word of God in her own language.

We were asked for the Bible in the following 34 different languages: Welsh, Gaelic, Irish, Arabic, Bohemian, Chinese, Danish, Dutch, Finnish, French, German, English, Greek, Hebrew, Hungarian, Italian, Japanese, Norwegian, Ojibwa, Polish, Portuguese, Russ, Tamil, Telugu, Ruthenian, Spanish, Swedish, Bulgarian, Lettish, Persian, Roumanian, Servian, Urdu, Yiddish.

### **The Bible in the Hotel.**

Some commercial travellers, Christian men, have formed themselves into a Gideon Band. They call themselves The Gideons, and have taken for the emblem of their association the pitcher from the story in the Old Testament. Their immediate Christian service is to place a Bible in all the hotels of Canada and the United States. Application was made in the month of December by the officials of the Gideons to our Board in regard to placing Bibles in the hotels in Toronto. The Board made a grant of 2,000 Bibles for this purpose, and were glad to welcome such devoted coadjutors in this public service.

### **The Work in the Quebec Auxiliary.**

For many years our Board has made a grant of \$3,000.00 to the Quebec Auxiliary for Colportage work within its bounds. A special invitation was received from that Auxiliary that our Secretary might address their annual meeting this year. The Board granted the request and asked the Secretary to report concerning the Colportage work to which we have for so many years contributed. Your Secretary received a most cordial reception from the officers of the Auxiliary. The public meeting, which was held in the Y. M. C. A. Hall was a most enthusiastic one. The reports presented by Rev. E. J. Stobo and Rev. W. C. Clark were most encouraging. Your Secretary never spoke to a more attentive

audience. The next morning at nine o'clock he had the pleasure of meeting the Colportage Committee and the Colporteurs and Bible women. Rev. Wylie C. Clark, B.D., Superintendent of Colportage work, presented the report of the work done from which we glean the following :

"The report of the Colportage Committee is one of facts and figures, but it is also one of romance and imagination. We can place before you the number of books sold, loaned and given away. We can tell you the cost price of these, and the gain or loss to the Society in their distribution. We can say how many visits our Colporteurs made during the year, and how many hours they were at work. These are all recorded for your information.

On the other hand we cannot tell you the story of these volumes as they have been read by the individual, by the family, and by the village group. We cannot throw upon the canvas the impressions made, the prayers offered, the truth discovered, and the freedom gained. Neither can we show by words or figures the results of visits and conversations ; yet in all these we have the realities of all Colporteur service, and through them the harvest comes.

Throughout the months of the year, the Colporteurs have been upon their different fields. While more visits were made during 1909 than in 1908, the sales were less. The lack of money in the Gaspé district, and the awakened vigilance of the priests throughout the whole Roman Catholic Church are largely responsible for this.

From Winnipeg and the West come reports testifying to the value of the work done at the Immigration Sheds. The portions of Scripture distributed among the new-comers are carried by them to their new homes and treasured as their first greetings in a new land.

Through the added goodness of the Canadian Bible Society, we have been able to place a man on the construction line of the new railroads. In this branch of the work for the next two or three years we could easily use two or three men instead of one.

As a Committee we are truly grateful for the generous aid given by the Upper Canada Auxiliary, and the Canadian Bible Society, and we can assure these friends that every care is taken to secure the best results for the expenditure made."

The Report also showed that seven colporteurs and one Bible woman had been at work. They made 12,694 visits and sold in colportage 353 Bibles, Testaments and Portions in English, and 1,323 in French, and loaned 1,553. In the Immigration work 28,449 copies of Scriptures were sold or given away in 32 languages. Total circulation 31,676 copies. For years this seed sowing has been going on in Quebec. Some may ask, what are the results, and what do you hope ultimately to gain? The

harvest so far as we can see is very small, but the seed has been sown in thousands of hearts and very many we believe have been led to the truth but they hesitate to break with Rome. If they do leave the Roman Catholic Church they are ostracized by their neighbors and even by their own kin, and life is hardly worth living for "turncoats" as they are called. Thousands of men in Quebec as in France are tired of religion as presented by the Roman Catholic Church and are drifting into indifferentism, agnosticism, if not atheism. But silently through our colportage a great work is being done. Years ago there were over nine acres of obstructing rock that formed a barrier to the entrance to New York harbor. For years the engineers tunnelled the rock and charged it with explosives. As far as the eye could see nothing was accomplished after years of labor. It seemed all in vain. But one day a little girl, the daughter of the engineer, touched a button and communicated an electric spark to the dynamite, and in the twinkling of an eye the nine acres of rock were rent, torn, never to be put together again. So to-day in Quebec the tunnelling work is being carried over the whole province by scattering the Word of God in the homes of the people. One of these days the electric spark will come from God, and that work that has been going on in secret will be manifested openly. We believe Quebec is on the eve either of a reformation or a revolution, and we hope and pray that through the work of our colporteurs it may be a reformation.

### Branch Societies.

We are pleased to find that so many of our branches have made their returns promptly. We would impress upon every branch the fact that our financial year closes on the 31st December, and we trust that an earnest effort will be made by our branches to have all returns in by that date in the future.

We gratefully acknowledge and sincerely thank the resident clergymen, faithful branch officers and collectors for kind services, and also our numerous contributors for continued liberal support.

A number of the branches held their Annual Meetings last year without the assistance of one of the Secretaries or an Agent. In this connection, the Directors of this Society would repeat the recommendation that the resident pastors and officials of many more of the branch societies should unite on a Sabbath afternoon or evening, once a year, with their congregations and choirs, and hold Union Meetings in the different churches, alternately, in advocacy of the circulation of the Scriptures in all languages, in every land, and the claims of the Bible Society for help in the prosecution of this great world-wide work. This plan has been adopted in several places with most satisfactory results, and is earnestly recommended by the Directors of this Society. It is not possible for the Secretaries to visit annually all the branches, and we sincerely hope that as many as can will arrange to provide for their own Annual Meeting. A card to the Rev. Jesse Gibson, Secretary, 102 Yonge Street, Toronto, before the 1st of August, stating such intentions on the part of the officers of any branch, will be thankfully received, and attended to, and no Secretary or Agent will then be sent. In the past several of

the Annual Meetings have been held and the collections made in the last three months of the year. The Board are very desirous that the Annual Meetings of the branches should be spread over the whole year, so that the services of the Secretaries may be available for as many of these meetings as possible. If some of our branches are asked to change the time of their Annual Meeting, they will understand from this the reason.

We have had great difficulty in getting answers from the officers of the branches to communications sent from this office. An early answer, if only a post card, to any communication sent, will greatly aid the Secretaries in arranging their work.

### **Bible Sunday.**

We wish to express our thanks to the ministers of all denominations who have observed a Bible Sunday during the year, on which they have presented to their people the world-wide work of the Society, and we urge upon all ministers the observance of such a day in the future. We feel that we have a right to ask this, as all the churches get their Scriptures for their missionary work from our Society. We will be glad to furnish information to any minister wishing to prepare such a sermon.

### **Bible Sunday in the Sunday School.**

As the work of the Bible Society had its origin in the story of the self-denial of a Sunday School scholar, and there are millions of children in the world for whom there is no Bible, the Society is making a special appeal to the Sunday Schools to observe a Bible Sunday every year, and to make an offering, no matter how small, towards this work.

If you send a card to the Secretary, 102 Yonge St., Toronto, he will furnish envelopes, and literature, and material for an address.

We thank the many Sunday Schools that have already responded, and trust that the number will be largely increased this year.

## THE PARENT SOCIETY.

---

The following extracts from the British and Foreign Bible Society's Report will give some idea of the world-wide mission work which it is doing :—

### Six New Versions.

During the past year pioneer versions in six fresh languages have been added to the Bible Society's ever-lengthening list. *Kanauri* and *Rabha* belong to Asia ; *Ora* and *Ndau* to Africa ; and *Mailu* and *Lau* to Oceania. Each of these languages was reduced to written form in order that it might become the vehicle of the Gospel.

In publishing these new versions the Society serves various sections of the Christian Church. *Kanauri* will be used by Moravian missionaries, and *Rabha* by American Baptists ; *Ora* will help to nurture a Mission which may be called a grandchild of the C. M. S., for it is the offspring of the Niger Delta Pastorate of the Anglican Church. *Ndau* will serve both the American Congregationalists of the A. B. C. F. M. and the South Africa General Mission. In the Southern Seas *Mailu* is used by the L. M. S., and *Lau* by the Melanesian Mission.

The number of complete Bibles on the Society's list remains 105. But the New Testament has now been completed in three additional versions : in *Bicol*, one of the chief languages of the Philippines, used by the American missionaries in that Archipelago ; in *Dobu*, spoken on an island off the east coast of New Guinea and employed by the Australian Methodist Mission ; and in *Shambala*, a language of German East Africa, used by the German missionaries there. These three raise the number of complete New Testaments to 102. There remain 211 other languages in which only some part of the Testament has as yet been printed, making up the total to FOUR HUNDRED AND EIGHTEEN DIFFERENT LANGUAGES, in which the Bible Society has promoted the translation, printing, or distribution of at least some part of Holy Scripture.

For the blind the Society has at least some embossed portion of Scripture now available in thirty-one different languages.

Last year the Society issued over 5,934,000 copies of the Scriptures—complete or in parts. This total is 246,000 copies in advance of the output in the previous year.

The total issues by the Society since its foundation have been 215,500,000 copies of the Scriptures, complete or in parts. Of these, more than eighty-two millions have been in English.

### **Expenditure.**

The general expenditure for the past year has been £236,562. This is an increase of £10,069 over the total of the previous year; but it still falls £19,000 below the expenditure in 1903-4, which was the highest in the Society's history.

With regard to the items of this increase, we note that, as was the case in 1907, the cost of foreign depots has again risen:—this year by £3,161. This, however, is by no means an unsatisfactory sign of the general development of the Society's work in its Foreign Agencies, especially in the Far East.

The amount spent on colportage from the General Fund has increased by £2,342, chiefly in India, China, Korea, and Japan. Other items of expenditure show an increase amounting altogether to £1,878.

The Committee have expended altogether £102,876 in producing versions and editions of the Scriptures; this is £2,689 more than in the previous year.

### **Receipts.**

On the other hand, the general receipts for the year were £237,313,—showing a decline of £2,237 as compared with the figures for 1907-8.

Examining the several items of this total, we find that donations paid in to the Bible House increased by £711. Collections and subscriptions paid in to the Bible House also increased by £1,036.

### **Free Contributions.**

The Free Contributions received from auxiliaries at home and abroad have been £68,660—a decrease of £4,450. Of the decrease, £1,134 appears in the receipts from Auxiliaries in England and Wales, while the Colonial Auxiliaries have paid in £3,316 less than in the previous year. More than £2,000 of this Colonial decline is due to the fact that the Canada Auxiliary has been involved in unusually heavy expense by the rapid growth of organized Bible work within the Dominion. Australia has sent £2,794, and New Zealand £1,620. The Hibernian Bible Society's total contribution has risen to £1,500.

### **The Work of Translation.**

During the last century of Christian progress at home and abroad, there has grown up, in the economy of God's Providence, one great institution whose privilege it is to act as the Steward of modern Christendom in translating and distributing the Scriptures. The British and Foreign Bible Society exists for one sole and supreme object. It leaves all questions of interpretation and criticism and comment to be dealt with by

recognized and appointed teachers, while it labours with a single eye to place the Book which all men need in the hands of each man who is willing to receive it.

The final revision of the Bengali Bible—originally translated by William Carey—was completed last year by that eminent Bengali scholar, the Rev. Dr. G. H. Rouse, of the Baptist Mission, the news of whose death in the spring of 1909 reached Calcutta on the very day on which this revised Bible was ready for issue.

The revised Cree Bible, the crown of Archdeacon Mackay's life-long labour, has now been published for the Cree Indians in Canada. The revised Chuana Bible, based upon the first version prepared for the Bechuana by Robert Moffat and his colleague, William Ashton, has also passed through the press under the care of the Rev. A. J. Wookey, of the L.M.S. Bechuanaland Mission, who has spent on it many years of toil.

For European immigrants into Canada, the Society has just increased its numerous diglot editions by publishing St. Matthew in Yiddish and English, and the New Testament in Ruthenian and English: it has also printed the Lithuanian Bible specially transliterated into Roman characters.

The Dinka version of St. Luke's Gospel used by C.M.S. Mission in the Sudan was revised by an ex Agent of our Society; he based his study of Dinka on the linguistic researches of certain Jesuit Missionaries, made available by an Austrian philologist who prepared the version. The history of many versions in Polynesia shows that they were begun by native Christians who had left their own homes and gone forth to other islands as pioneer Missionaries of the Gospel.

### **Colportage.**

The Society employs about 1,000 Colporteurs and 600 Bible women.

Last year year our Colporteurs were arrested as spies in Nicaragua, robbed and reviled in Burma, bitterly mocked by social democrats in Germany, driven out of villages in Peru by priests who burnt their books, stoned in remote corners of the Philippines, beaten by Moslems in Baluchistan. In the awful earthquake at Messina a Colporteur with his wife and children escaped—bruised, wounded, half-naked, penniless, but saved.

### **At a Buddhist Monastery in Cambodia.**

In Kompong-Chnang, fifty miles from Pnom-Penh, M. Bonnet was very well received by the superior of a *Bonze* monastery, to whom he applied for hospitality. The superior immediately had M. Bonnet's packages carried to his cottage, and offered him tea. Our Sub-agent at once produced his books. The *Bonze*, after carefully examining a volume and handling it in every possible manner, opened it, and seeing it was written in Cambodian, began to read it aloud, by the dim light of a dilapidated

## ANNUAL REPORT.

lamp, with many tokens of joy. The other *Bonzes* and a few Cambodians sitting on the floor, listened to him intently. The old man read for an hour, and when he was tired he passed the book to a younger man, who with a firmer voice continued to read for all to hear. There were eighty *Bonzes* in that monastery, and almost every one bought a book.

In Rhodesia a Mashona youth had been working at Salisbury, where he was taught to read; and when he went back to his heathen *kraal* he took home with him a copy of St. Mark's Gospel in Shona. By way of exhibiting his wisdom he began to read it to a company of his friends. Word by word, sentence by sentence, he spelt it out, to the amazement of the listeners. "What is this?" they cried, "this thing telling us all sorts of news in our own tongue? What can it mean? Sorcery! Made by white men! What prodigies these are!"

### **In a Prison Cell.**

A letter has been received from a man in a Japanese prison, confessing that for sixteen years the writer had been a thief. He had spent several years in jail at different times, and had planned to organize a large body of accomplished pickpockets for systematic robbery of travellers. At the same time, his mind had been occupied by thoughts about what would become of him after death. He obtained some books of Buddhist teaching, but was not satisfied with their mystical and contradictory statements. The prison warden advised him to try reading what Christianity taught on the subject. He secured a copy of our five farthing New Testament, and in a very short time found an answer to his questionings. He learned that Christ had died that he might have life. In that prison cell he called upon God, and in contrition and penitence confessed his sins and received assurance of their forgiveness. He wrote that he was now sending copies of the New Testament to the men whom he had tried to influence for evil.

During 1909 the Society issued 17,189 Bibles, 13,471 Testaments, and 10,660 Portions ; total, 41,320. Included in the above were foreign languages as follows : Arabic, 104 ; Armenian, 52 ; Blackfoot, 1 ; Bohemian, 9 ; Bulgarian, 175 ; Chinese, 430 ; Cree, 89 ; Croatian, 18 ; Danish, 26 ; Dutch, 15 ; Estonian, 1 ; Finnish, 133 ; French, 842 ; Gaelic, 18 ; German, 556 ; Greek, 185 ; Hebrew, 1013 ; Hungarian, 156 ; Icelandic, 1 ; Italian, 1380 ; Japanese 17 ; Latin, 14 ; Lithuanian, 8 ; Norwegian, 104 ; Ojibwa, 19 ; Persian, 4 ; Polish, 281 ; Panjabi, 1 ; Portuguese, 4 ; Romansch, 2 ; Rouman, 84 ; Russian, 206 ; Ruthenian, 149 ; Sanscrit, 1 ; Servian, 34 ; Slavonic, 36 ; Slovak, 12 ; Sloven, 10 ; Spanish, 32 ; Swedish, 115 ; Syriac, 7 ; Turkish, 15 ; Urdu, 2 ; Welsh, 9 ; Yiddish, 505 ; for the Blind, 3.

A large body of students and teachers from Havergal College were present. The singing of the grand old hymns was most hearty and worshipful. The Rev. Dr. Trotter read the Scripture Lesson, and the Rev. W. B. Cooper, M.A., led in prayer. Apologies for absence were received from His Honor, the Lieutenant-Governor, Hon. Sir James Whitney, Hon. Thos. Crawford, Hon. W. J. Hanna, Hon. R. A. Pyne, Hon. F. Cochrane, Bishop of Toronto, Chester Massey, Esq., Sir John Boyd, Sir Charles Moss, and many of the leading clergymen and citizens of Toronto.

In the course of the Chairman's address, Dr. Hoyles said :— Our custom is not to read the report here, as at one time we did, because you have it in your hands, and you are expected, of course, as intelligent beings, to take it home and read it at your

leisure, and I am sure those who have once done it will always be glad to repeat it as these annual meetings come around, year after year.

I want to draw your attention to one or two points in connection with the report, so that you may have them specially before your mind when reading it.

First, our income. You will find a statement on the last page of the report, in regard to the total income and issues. I want to make an explanation in regard to this. You will find in regard to the income, that we had, during the last year a sum of \$50 934.11. The previous year, which was considered to be a record year, (it was high water mark with us) was 50,897.25. The total issues of our Society during the last year were 41,320. In the previous year it reached 44,346, and you may wonder why it is that this year we have fallen some 3,000 short of the number of issues which were disposed of in the previous year. This is not any decrease in reality. It arises from the fact that we are decentralizing. It is the policy of the Society to decentralize as far as possible. The different Provinces are having Auxiliaries of their own, and this past year in British Columbia and Alberta Auxiliaries have been formed, which are themselves doing the work of distributing the Scriptures, and necessarily these have been taken out of our territory. Our issue of God's Word is smaller than last year, but the total is very much larger, because the work there is being pushed in a very strenuous way by the Colporteurs and missionaries there. Some of our best Colporteurs we have, with great self-denial I think (if it is right to praise ourselves) let these young Societies take over.

I would ask you to notice that Havergal College has given very liberally indeed. I wish we could get our schools generally interested in this work. Why is it that we cannot get our boys and girls interested in the support of the Bible Society? There is no time when the Bible Society work should be more fascinating than to the young, and there is no time that will be more fruitful in future work than if we can reach our boys and girls now, and fill them with the love for the Bible Society.

On page 19, I am sure all who gather here will be glad to note that there is a marked increase in the circulation of the Scriptures among the Jews, in the last two years. The circulation during these two years has been the largest in our history.

I want to draw your attention to the page relating to the forward movement in Missions. It is a thing that is not generally understood. While we all rejoice in the Laymen's Missionary Movement, and most earnestly hope that a great increase of funds and offerings of men (which is more important), may be the result of that movement, people do not seem to know that the movement means for us a greater need for supplies, for the more places that are taken up, and the more missionaries that are sent out, the more native converts are multiplied, the greater will be the demand for Bibles.

I trust the friends will read these paragraphs, and will see that while they are supporting, as we desire they should, with the utmost liberality, this movement, they do not forget the Bible Society, upon which the success of all Missionary work is based and founded.

On page 37, "The application of the Gideons." I desire to call your attention to an interesting work that has been started lately. Some commercial travellers have been seized with an earnest desire to bring God's Word home to the commercial travellers who go around through this country and the United States. We were waited upon by a deputation from these men, who asked us to help them to put Bibles in every hotel in this country. They said they wished they lived in Canada, where they would be treated as well as we treated them. We made a grant to them of 2,000 copies of Bibles, so that they might put a Bible in the leading hotels in Toronto and Ontario. We know of many instances in which Bibles in the hotels have been greatly blessed. We do not know what the result of this work will be.

We often think of the large sums we are giving to the Parent Society; I suppose some do anyway. Those who know the great work of the Society are not so impressed with our liberality. I want to draw your attention to a little item which appears in the report on page 43, because I do not think you can have anything that shows better what the liberality of the British and Foreign Bible Society is. During two years when I happened to be in London, Eng., I met Archdeacon McKay, of Saskatchewan—a very old and honored missionary, who has been working for many years among the Indians there. He was busy seeing the Cree Bible through the press, working to get this ready to be published. I noticed in the last year's report of the British and Foreign Bible Society, a resolution of thanks from the Synod of Saskatchewan, congratulating the Society on the fact that they make versions of

the Scriptures not only for large and populous regions, but for diminishing races in other lands. The Cree Indians, as you know, are in our own country. There are about 15,000 in all I think, spread over a large tract of land. The British and Foreign Bible Society has prepared a new version of the Bible, which has cost about \$9,000 to prepare, for an issue of 1,000 copies. That would mean about 36 shillings—about \$9.00, for each copy of the Bible. The Bible is almost given away to the Indians. They get it at a purely nominal price. Can there be anything more striking than that? With all the claims of the world, the millions and millions that need the Bible, to think that the British and Foreign Bible Society will spend \$9,000 to prepare an edition of the Bible for this wandering tribe of Indians in our land! I think that we ought to feel that we owe a great deal to a Society which takes such an interest in us as that. You will notice, also, that they are adding, for our special benefit, different Diglot versions, the Diglot, of course, being with the English on one side and the foreign on the other. These are eagerly taken up and used by the foreigners in our land. It is not necessary, I think, to draw your attention to the amount of work which the Parent Society is doing. Just this one fact for you to carry away: The British and Foreign Bible Society issued last year very nearly 6,000,000 copies of God's Word. A great work to be doing, but remember that is just as it were, a drop in the bucket, compared to the work that is required to be done. God bless the British and Foreign Bible Society, and God bless all the Societies including our own, who are trying to do some work in sending the Word of God in their own language, without note or comment, to all people of the world who have it not.

Dr. Hoyles introduced Rev. R. H. Haslam, B.A., as the first speaker of the evening.

Rev. Mr. Haslam, in rising, said:—

Mr. Chairman, ladies and gentlemen:

The work of the British and Foreign Bible Society is so closely related to that of existing missionary organizations that it is only fitting that on such occasions as this a missionary should be asked to speak in testimony to its claims and to the supreme importance of its work from the missionary point of view. There is an inter-obligation. The Bible Society owes a debt of gratitude to the missionary. Without the work of the pioneer missionary in reducing to writing the languages of the peoples amongst whom his lot is cast, and in translating the Word

of God into these languages, the existing work of the Society would not be possible. Moreover, the missionary receives back from the Society the Scriptures which he has translated and becomes one of the chief agents for its distribution. He is thus directly the chief source of supply, and the agent for dissemination of the Word of God to the Society whose end is to give to the peoples the Word in their own tongue. But on the other hand the missionary can never be too grateful for what the Society means to him in his work. He is furnished with the most perfect of text books for the study of the language. The idioms and religious terms used in dealing with the peoples during his whole service he learns from the pages of the Book supplied by the Society. He is provided with the seed for his sowing, the sword for his warfare. He is given ready to hand the food with which the infant church is fed and nourished.

In speaking to-night of the work of the British and Foreign Bible Society in India I do so with a deep sense of India's indebtedness to this organization for its marvelous achievements during the past century. Ninety-nine years ago the first branch of your Society was established in Calcutta. Two years later there was printed and circulated there the epoch-making Urdu translation by the great Henry Martyn. This became the basis for all future editions of the Urdu Bible. Now there are Depositaries in Bombay-Madras, Allahabad, Lahore and Bangalore, where a large stock is ever kept in hand. In addition there are branch offices in many of the large towns and cities. During the century either the whole Bible or portions have been translated into forty-five of the one hundred and forty three languages of India. While this percentage of languages seems small it is in reality most encouraging, as it is carefully estimated that of the 297 millions of India over 267,568,000 understand one or other of these forty-five tongues, and that the numbers who speak each of the remaining ninety-eight languages are comparatively small. For example last year the New Testament, translated into Kanauri only reached twenty thousand, and the Rabha edition only eighteen thousand people. This means that after the century's achievement over nine-tenths of the peoples of India may hear in their own language the wonderful works of God.

When we contrast this with the conditions existing previous to the year 1811 our wonder and our thanksgiving increases. Before the beginning of the nineteenth century only sporadic translations had been made. The Dutch missionaries of Ceylon issued a Tamil New Testament in 1668. The Danish Ziegenbsalgs

of Tranquebar another in 1715 in Telegu, and in 1732 the German Schultze translated the New Testament into Hindustani. With attempts at portions in Bengali and Hindustani by Dr. Thomas and Mr. Hunter these constitute the whole record. But in 1793 arrived William Carey, who was joined in 1799 by the linguist Marshman and the printer Ward. By their strenuous labors at the time of Carey's death in 1834 they had translated the whole Bible into six Indian languages besides Chinese, and the New Testament into twenty-three other languages. "The enthusiasm excited among the home congregations by the work of the three; was such that it became necessary to stop the contributions, and the esteem in which the linguistic work of the missionaries was held in India contributed not a little to form public opinion which brought about the removal of the prohibition of missionary work by the East India Company." Such in brief is the outline of the work previous to and subsequent upon the establishment of the Bible Society in India at the beginning of the nineteenth century.

Now, a word as to how the Scriptures are being circulated. The chief agents employed by the Society are the colporteurs, who after receiving special training go with their packages of Bibles and portions into towns and villages, and are present on railway station platforms to give those who desire to buy this increasingly popular Book the chance to acquire one. The books are never given away free by colporteurs, but sold at a price which is quite within the reach of any desiring to purchase. In addition to these the Society employs Bible women, who carry on their very difficult task in Zenanas by seeking to dispel ignorance or prejudice. They first teach to read, then secure the entrance of the Word. But the largest numbers of the Bible and Scripture portions are circulated by the missionary and his associates. Our methods may interest you. In a shop verandah or under a pipal tree we sit, cross-legged, (the attitude of the teachers in the East) and open up some passage of the Word. The hearer asks why such words are not written in his tongue. We hand him a gospel for  $\frac{1}{2}$  cent, a New Testament for two cents or a Bible for 32 cents. He carries off his treasure and reads for himself. He becomes the advertiser for the Word, as we frequently find on our return to villages during itineration that where a Bible has been sold other purchasers wish to procure copies for themselves.

At the great religious gatherings (Melas) we make a special point of selling the Word. Usually five or six hundred copies are sold at these large assemblies. In addition to these means of cir-

culatation, the Society in India is following the rule of giving each year to the matriculates of the universities a copy of the four Gospels and the Acts; to each B.A. graduate a copy of the whole New Testament and to each M.A. a copy of the whole Bible. During 1904 (the latest statistics I have) 1,644 Bibles, 2,536 New Testaments and 3,238 Portions (Gospels and Acts) were thus given away.

I pass on now to the question of practical importance for us in relation to this theme namely: "Why should we continue to disseminate this Word in India and the East?" First *because it is the only Scripture which bears the imprimatur of Divine Inspiration*. I will not talk platitudes. The Word of God is proving itself to be of Divine origin and power by the work which it is accomplishing in heathen lands, of transforming men's lives, and producing in those lives like virtues and graces to those seen in the most devoted Christians at home. Further many of those passages which are the storm centres of criticism amongst scholars in the West are daily proving themselves to be from Him and for Him, by the fact that through them men are won to Christ. What does not the account of the Incarnation of Christ, as recorded in the Gospels, mean to the Hindu who is familiar with the idea of an Incarnation but whose idea is extremely crude and childish! I have noted the appeal again and again, and it is most striking as it comes with power to hitherto unenlightened hearts. It is to Jesus Christ the Incarnate Son of God that men's hearts turn and not to our body of doctrine, or to our religion. Not until the Resurrection of Jesus Christ was clearly explained and accepted did our most recent enquirers (a high caste Hindu and his wife) acknowledge Christ's claims. I am convinced that the claims of the Word to inspiration are not vindicated by the apologia of the scholar at home so much as by the witness of the ambassador abroad. We are not called to be "advocates" but "witnesses." When shall we learn the lesson and go and give the Word and allow it to vindicate itself?

Furthermore it is the *only* Scripture which can lay claim to Divine Inspiration. The impinging of the Bible upon other religious books which have laid claim to inspiration has revealed to their advocates the groundlessness of the claim. Witness for example in Hinduism the results of the researches of the Brahma Somaj, the most spiritual of the Neo-Hindu Sects, whose neophytes are given as their vade mecum the Brahma Dharma, (the hand-book of the Sect) the "Imitation of Christ" (by

Thomas-a-Kempis), and the New Testament. Several students were sent by this Society to study Sanskrit with the Paudits at Benares, to read the Vedas, and to give their report. When the findings were presented to the Somaj Debendra Nak Tagora the honored leader put it on record that "valuable as the Vedas might be as relics of a former civilization and literature, they were so full of erroneous and childish matter that they must forever surrender their claim to be of Divine Origin."

Testimony is not wanting to show how the claims of the Koran to inspiration have been undermined amongst many of the most thoughtful Mohammedans in India, and especially at the centre of the great Reform movement at Aligarh College.

A second reason why we should continue to carry on the Society's work in India is because *the Bible is the most popular book in the land!* It is translated into the vernaculars of the people and in this way stands in striking contrast to the Vedas of the Hindus, the Tripitaka of the Buddhist, or the Koran of the Mohammedans, all of which are written in their several sacred tongues. Moreover the testimony is cumulative that no book in India is so widely read and more highly honored. It is almost the exception to find educated men without a copy. A friend of mine in India writing recently to the C. M. S. Review gives the following which are normal testimonies. "When talking to one student I was surprised at his knowledge of the Bible and he said, 'Oh, yes, I have read it in our village, and all the boys are taught it. The Head Master of the Maharaja's School teaches it every Saturday.' On asking for more details I discovered that this Hindu Head Master of a Hindu School taught it of his own freewill, because he realized that the boys needed moral instruction in addition to their other studies and actually took the Bible as the best moral and religious guide . . . . Another student whose answers are more than usually intelligent told me that from a child his father (also a Head Master of a Government School) had taught him Bible Stories."

Thirdly, *the Bible makes the profoundest appeal to Men's hearts.* I rarely speak, that some earnest hearer of the Word does not say, "yeh baten hamare dilon men baitthi hain," viz., "these truths sit down in our hearts." To appreciate fully this appeal one needs to see the faces of those impressed. I have asked Brahmins who have been thus appealed to by fundamental truth if passages from the Shastras so impress them to which I always receive a negative reply.

Again, the Word of God *is the greatest force at work in India in disintegrating the hoary systems of error and idolotary*. It has been the impact of our literature which has been permeated with Christian ideas, and of our civilization which at its best reflects what the Bible has meant to us, as well as the direct truths from the Word which has produced the present dissatisfaction with and revulsion from many religious and social customs.

The Word of God, likewise, should be disseminated *because of the power of its secret workings*. The incident noted above of the Hindu School Master's teaching the Word, was in a district in which no other missionary work was being done. Shortly before coming away from India an old veteran of the Mutiny days came into our verandah hot and tired. After resting a few moments he said, "Are you the Padre (clergyman) of this place?" I answered in the affirmative. He said, "I have a request to make! About fifty years ago an officer with whom I served in the Mutiny gave me a New Testament in Hindi. I have read it and now it is worn out. Will you give me another?" I asked him from where he had come. He replied "from——!" (a village over two days march distant). By a curious coincidence one of my workers reported two days before that he had met a middle aged native soldier who was most interested, who knew the Bible and who asked that I might go to this village of——. I asked the old man who this soldier (mentioning his name) was. He replied, "woh to Mera Beta hai" "he is my son." The Word had been working in secret. These instances could be multiplied indefinitely.

In the sixth place we should give the Bible to India because it reaches regions untouched by missionaries. Through visitors at Melas, by pilgrims to shrines, by those who come into India for trading purposes from the Transfrontier provinces and from Native states the Word of God, that silent missionary, tells the message to peoples otherwise unreached—to nations behind closed doors. And finally, *because it reveals Him of whom all its pages speak, the living loving saving Christ*, who by His inimitable life, and the power of His Spirit in the Word, discloses men's needs and heart secrets to themselves, and furnishes not only the supply for those needs, but also an ideal for them to live by, and that sure hope of which their own Scriptures know nothing, whereby the ideal may be realized, and they may live the Christ life on earth amongst their fellows. India needs the Word because she needs the living Christ.

After Mr. Haslam's address, the audience joined in singing the familiar hymn, "Oh Word of God incarnate."

The Chairman then called on the Rev. R. J. Bowen, District Secretary of the Bible Society, to address the meeting, on The Work of the Bible Society in Canada.

On rising, Mr. Bowen said :—

Mr. President, clerical brethren, ladies and gentlemen :

Having heard from the last speaker, the wonderful work being done by the Bible Society in India, as well as the reasons why we should give the Bible to those people in the vernacular, shows clearly the need there is for our work. The reason why the Bible Society must give the Bible to the peoples of India, is, in order to live up to their ideals of organization, and not only to India, but to China, Africa, Japan, and all places where there is any one who has it not. The four great ideals of the Society are as broad as the world-wide work of the churches. They are as follows :

1. We will reduce the language of every man to writing, no matter how barbarous or uncouth that language might be.

2. We will reduce that language to print and multiply the copies by mechanical means.

3. We will deliver the Word of God, without note or comment, to every man in his own country, at a price he can afford to pay and if he can afford to pay no price, we will deliver it to him without money and without price.

4. We will never consider the work of the Bible Society complete until the Word of God is in all hands in all lands.

These ideals are being carried out through the great work of the translator, the printer, the Colporteur and Bible women, working in twenty-seven different countries, and the last one can only be accomplished as the individual believer does his or her part in sending a copy of the Word of God to those who have it not. But as interesting as the world-wide work is, I must pass on to Canada. As soon as one touches upon so interesting a subject there is almost felt a thrill passing through the audience. Many are prepared to consider fully the claims of Home Missions but who feel that with our great difficulties and problems of immigration ever growing the Foreign Mission has no definite claim upon them. These same people may often be heard speaking of the Fatherhood of God and the brotherhood of man. If there is an universal brotherhood of man and Fatherhood of God, there can be no such difference as Home and Foreign Missions. In the sight of God they are all Home Missions.

Canada and its vast territory—what a subject with which to deal, when you consider the work of the Bible Society within its boundaries.

Let us think of crossing from some foreign land over the Atlantic and as we draw near the Dominion of Canada we see the shore of Newfoundland, and then think of Ungava. Passing further north there is a vast territory that we cannot well estimate in value, and in both places we have men whose names ought to be household words. Dr. Grenfell has made known to us some of the riches of Labrador. There is a Stewart in Ungava, who has tried to lead the peoples of this lonely land to lay hold of eternal life. The giving to the peoples of the territory of Cumberland Sound and Blacklead Island the Word of God in their own tongue has been the crowning work of Rev. Mr. Peck.

We may then pass through the northern parts of Quebec; and the stories of the wealth and wonder of this north land is given to us by men of the Tyrrell type. We may then pass hurriedly through northern Ontario, and the knowledge we have of this wonderful land is so well known that it is unnecessary for me to dwell upon it. Going further westward through the North-West, we think of the area of the wheat growing land, and learn how the territory is extending north of the 60 parallel where wheat has been grown suitable for the markets of the world. We may then travel to the north parts of British Columbia, and from thence to the Yukon; then southward through Alaska into northern British Columbia; and from there to the Kootenay County, the Crows Nest Pass, over the southern prairie section and reaching Ontario say that we have really traversed a land of wealth and opportunity.

In every section we are faced with the problem of our own native population, and we are glad to be able to state that the Bible Society has delivered the Word of God in nineteen Indian languages, having used one in my own missionary experience, I can speak with feeling as to the great amount of good the new Cree Bible will do for the Indians of that tribe. The complete Bible is now printed by the Bible Society at a cost of about \$9.00 per copy. The missionaries return from sales about \$1.50 per copy.

We must pass on from the Indian Missions and face the problem of immigration. The problem caused by the people coming to our shores is one we ought to fully understand.

We have now eighty different languages spoken in Canada and it is impossible for the churches to handle the problem and preach the gospel to all these people, and therefore we ought to see in the Bible Society one of the instruments in God's hands, being used and blessed for this purpose. With the fifty Colporteurs and thirteen Bible women, many who would not be otherwise reached, are reached by those sent by the Bible Society in all parts of the Dominion.

During the year 1908 the Society delivered in Canada 132,000 copies and portions of the Word of God, in eighty languages, thus making the Bible Society one of the most powerful missionary agencies at work in the Dominion.

The Diglot portions, placing in one column the language of the stranger within our gates and in the adjacent column the same Scripture in English, thus giving the immigrant the Word of God as a Text Book to help him to learn English; and as he may read it for this purpose, we cannot forget the promise of God that His Word "will not return to him void but will accomplish that which He pleases and prosper in the thing whereunto he sent it," so we may sow the seed in faith and God will bless the sowing to the deepening of the spiritual life of the readers.

From personal experience I can speak of the power of the Word to redeem and save even to the uttermost. In the condemned cell where I found a man hardened in sin and not wishing for the ministration of any clergyman, upon leaving by his side a copy of the Word of God and calling upon the man regularly, I saw him pass from death unto life, from the power of Satan unto God. Another instance in the life of a gambler the Word alone proved his fount of education and spiritual life from gambling, drink and indifference to the things of God. I know the same man as one of the best church workers and a reliable citizen having the confidence of the whole community.

We speak of Foreign Missions, the foreigners in our land demanding the special efforts of the Christians at this time, but in conclusion I would make a plea for the sons of our own people, who are scattered through our country, like sheep having no shepherd, and there is no work more important than trying to keep those who have left Christian homes within the fold. The Bible Society is trying to do this important work by the Colporteur and Bible women, as well as having Bible depositories in many places throughout the land. Thus in the Dominion of Canada the Bible Society is one of the strongest organizations for the furtherance of the Kingdom of God among men.

May God grant that those who are here assembled, having heard briefly the story of the Dominion and its needs, may pray that God will send more labourers into His great harvest field, and grant unto them the power of His Spirit to make plain the wonderful message of Salvation so plainly set forth in His Holy Word. May we ever remember in the Bible Society we have the great partner of foreign missions and the organization that makes the sowing of the seed which is the Word of God possible in 418 different languages.

I pray that His blessing, whose we are and whom we serve, may rest upon the words spoken and in our prayers, labours and giving and that He may lead us to become more interested in sending forth His Holy Word.

Rev. Dr. Gilmour, on rising said :—

I have the honor to submit to this meeting the resolution printed on the programme, which is, I am glad to say for a number of reasons, to be seconded by Dr. Parsons.

Resolved, that this meeting put on record its devout gratitude to Almighty God for the priceless blessing that the English-speaking world has for so many centuries enjoyed in the possession of the Scriptures in the English tongue. In doing this at the present juncture, we desire more especially to express our unfeigned thanks for the noble English version published in the year A.D. 1611, and continuing in general use amongst us to this day. We recognize in this version a great English classic, and a translation of the Scriptures that stands amongst the greatest ever made. We remember the remarkable influence it has exerted on the English language and on English literature. We remember the unique bond it has proved to be in uniting English-speaking peoples in all quarters of the globe, and above all, we remember, with tender gratitude, the fact that it has been for centuries the Bible of our fathers, to whom through it God has revealed Himself, and that it has been to ourselves a source of light and support, of salvation and guidance, of comfort and consolation. We remember also that the possession of this version has for over a century been to the English-speaking world a constant and powerful argument for the translation of the Scriptures into the mother tongue of every nation and every tribe on the face of the globe. Resolved, also, in view of all these blessings that this meeting direct, and hereby does direct, that the next annual meeting of this Auxiliary be devoted to the proper celebration of the three hundredth anniversary of the publication of this English version, commonly called the Authorized Version; and also that the influence of this Auxiliary be used in the meantime for the dissemination of information regarding this version and other Bible versions, in the press and elsewhere, as may be deemed wise and proper. Resolved, further, that for the carrying out of the plan herein suggested, and for the preparation of a programme for the next annual meeting—which programme shall be submitted at the proper time to the Board of this Auxiliary—a committee of five be appointed, the said committee to be named by the President of this Auxiliary.

I should like to take the liberty of saying a few words in support of this resolution ; not that I think there is any doubt of its carrying, but because an opportunity I think should be taken to explain the purpose and scope slightly, of this resolution.

We had, not long ago, the three hundredth anniversary of the founding of the city of Quebec, and I think we all felt that it was a great event in Canada's history. It commanded the attention not only of this country, but also of the world. Now, if the anniversary of a city was worthy of a celebration of this kind, it seems to me we ought to take the opportunity of celebrating the three hundredth anniversary of this great and noble version that has been in such constant use amongst the great English speaking peoples. I feel that in this we may attain several objects. For one thing, it would do us all good to take an opportunity to express our thanks—our sincere and unfeigned thanks, for the blessings we have enjoyed as a people for so long, and I think at the present time it would do the Christian people of this country a very great deal of good to sit down quietly around the Bible itself, and give thanks to God that they have it.

In the second place, I think that this might be made an opportunity for the dissemination of information regarding the history of this English version. It has an interesting history, and a history that I think is not too well known ; a history, that ought to be well known amongst our people, and for the telling of which, and the giving of which, I think the creation of a celebration of this kind would give us an uncommon opportunity.

In the third place, this might be made, I think, an opportunity to make public some facts regarding the translation work of the great Society in whose interests we are meeting this evening. In the work of that Society there are three general parts. There is what we may call the literary side, which has to do with the work of scholars. There is the business side, which has to do with printing and binding, and business administration, and then there is the field work, of which we have been hearing to-night, and of which (quite rightly) we generally hear at our Bible Society meetings, but I think once in a while an opportunity ought to be taken to show the general public the debt we owe to the scholars who do good work often for very little thanks, and sometimes with very serious misunderstanding. I think it would be worth while for us to hear something about the work of these scholars who have done this great work.

This resolution calls for the appointing of a Committee. I should have liked very much if we could have had Mr. Cooper on this, but I understand that his relation to the general work did not make it desirable or possible that he should be identified officially with this, but I hope means will be taken by which the Committee may have the benefit of his services because I suppose there is no man better qualified to help and work in this, than Mr. Cooper.

It would be possible to say a great deal more about this resolution. So far as I have known, it has never yet been brought up by any Bible Society meeting. We may have the honor of leading in this movement.

I have much pleasure in moving the adoption of the resolution

Dr. Parsons, in rising to second, said :

I have great pleasure in seconding this resolution, and with what we have heard this evening, so stimulating our hearts in regard to the power of the Bible itself, and the power of our English Bible, which to my mind, at the present time throughout all Christian denominations and Churches, is less read than it was in former times. You will find hundreds of men actively engaged in Christian work that never read the Christian Bible through in their lives. You will find a great majority of the young persons coming to our churches (I have taken great pains the last fifty years to watch that question) have never read the English Bible through once in their lives. I speak of this because I want to urge, in seconding this resolution, that we need ourselves, individually, this year in which we have entered, to be much in prayer that God will make the reading of the English Bible the power that He is making it in India, as we have heard to-night, and as He is making it in these instances given by our brother who spoke in behalf of Canada.

I second the resolution.

The adoption of the report and election of the officers, was then moved by the Rev. Dr. Carman, and seconded by W. B. Geikie, Esq., M.D., D.C.L., LL.D.

Both of these gentlemen made appropriate remarks.

The meeting was brought to a close by the singing of the well-known hymn, "From Greenland's Icy Mountains," and by prayer and benediction by the Rev. Dr. Chambers.

## Total Immigration to Canada by Nationalities, for Calendar Year 1909.

### REV. N CAMPBELL.

AYTON.—The Annual Meeting of the Ayton Branch was held on August 23rd, in the Evangelical Church. The pastor, Rev. Mr. Sauer, presided, and spoke words of encouragement. There was a splendid programme arranged for by the combined choirs. The minutes of the last annual meeting were read and the financial statement given. The Agent was then called upon to give his address on the work of the Bible Society. This was a most inspiring meeting from which good results may be expected. The President then called upon the Agent who addressed a large and interested audience, at the close of which a hearty vote of thanks was tendered. The same officers were re-appointed.

CHESLEY.—The annual visit to this Branch was made on August 30th. The meeting was held in the Presbyterian School Room. The attendance was not large owing to counter attractions. Three of the resident ministers were present, and showed sympathy with the work which the Bible Society is doing. It was decided to hold the meeting of the Executive at a date to be arranged, as some of the members were unable to be present. The Agent spoke on the work of the Society and its claims, and urged liberality, and the resident ministers agreed to bring the matter before their people on the Sabbath before the collectors begin their work. The meeting was closed with prayer.

DOBRINTON.—The Annual Meeting of this Branch was held on Tuesday evening, August 31st, in the Methodist Church. The meeting was well advertised, and much credit is due the Rev. W. J. Waddell for the success of it. The evening was rather dark, and the meeting was not as large as expected, but the spirit manifested was excellent. The minutes of the last Annual Meeting were read and confirmed; also the financial statement of receipts and amount forwarded to Toronto. **SHALLOW LAKE.**—The Annual Meeting of this Branch was held in the Presbyterian Church on the 3rd of September. Rev. Mr. Johnston rendered splendid service to your Agent. The meeting was large, and much interest was manifested in the Agent's address. The Secretary-Treasurer read the minutes of the last Annual Meeting, which were approved. Officers were elected and collectors appointed.

**ARKWRIGHT AND MT. HOPE.**—The annual visit of the Agent to this Branch was made on Sabbath afternoon, September 5th. The meeting was held in the Methodist Church, and was fairly well attended. The President and some of the officers were present. The meeting for the appointing of officers was to be held at a date convenient for all. The Agent took the whole service in the church, and devoted the hour to giving information re the Society and its work and needs. Those present listened intently, and we believe much good will result from the meeting. It was agreed to appoint collectors to attend to the visiting of the families at an early date.

The President was not present, but it was agreed by the Executive previously to hold its meeting at an early date, after the visitation to the Branch by the Agent.

#### REV. H. CAPLAN.

**HAVELOCK, Sept. 24th.**—The meeting was held in the Methodist Church, the pastor, Rev. J. B. Balfour presiding. The meeting was opened with devotional exercises. Rev. C. W. Collectors were appointed to canvass the town thoroughly.

**MARMORA, Sept. 25th.**—The meeting was held in the Church of England, and there was a large attendance of people from all denominations. Rev. C. M. Harris, Rector, led the devotions. The President then opened the business part of the meeting with a short address, after which the Agent Rev. H. Caplan, gave an interesting address on the work of the Society is doing in translating and scattering the Word of God all over the earth. Rev. J. E. Moore gave a short address, urging the obligation upon all Christians to support the Bible Society.

**SPRINGBROOK, Sept. 30th.**—The meeting was held in the Methodist Church. The Rev. J. E. Moore, who was holding revival meetings at Marmora, could not be present. The attendance was not large. WEST HUNTINGDON AND IVANHOE, Oct. 4th.—The meeting was held in St. Andrew's Presbyterian Church. Rev. Mr. Galloway, Presbyterian Minister, was away. The chair was occupied by the President of the Branch, Mr. D. Fleming. Devotional exercises were conducted by the Agent, Rev. H. Caplan. Addresses were delivered by the Rev. H. B. Rowe, (Methodist) and the Agent.

TWEED, Oct. 5th.—The Annual Meeting was held in the Methodist Church. There was a fair gathering. The chair was occupied by the President, Mr. G. H. Clare. Devotional exercises were conducted by the chairman and Mr. J. E. Mitchell. The Agent, Rev. H. Caplan, was then called upon. He traced his own conversion to the reading of the Book of Hebrews in the New Testament. This personal testimony was considered as the most telling point in favor of the Society's work in translating the Holy Scriptures into the many languages of the earth. The Bible was the ensign to the nations, which God by the mouth of the Prophet Isaiah, had promised to raise up. Mr. Caplan advised the British people to hold on to this ensign with "both hands." The Methodist Minister promised that he would dwell with emphasis on Mr. Caplan's words from the pulpit on the following Sunday. Officers were elected and the collectors appointed. The meeting closed with the benediction.

MOIRA, Oct. 6th.—The Annual Meeting was held in the Methodist Church. Unfortunately Rev. Mr. Ross was away, but there was a large gathering. The President occupied the chair. After an opening hymn, the Agent, Rev. H. Caplan, read a portion of Scripture, and offered prayer. Then followed a solo by a member of the choir, an address by Rev. H. Caplan, the minutes were read, and the officers re-elected and the collectors appointed. The meeting closed with the benediction.

MADOC, Oct. 7th.—The Annual Meeting was held in the Presbyterian Church. Devotional exercises were conducted by the chairman and Rev. Mr. Balfour (Methodist). Mr. A. F. Wood, the President of the branch, was the chairman for the evening. The chairman gave a short address, and then called upon the Agent, Rev. H. Caplan, who dwelt upon the importance of the work of the Bible Society.

ALLISTON, Nov. 2nd.—The Annual Meeting of this branch was held in the Lecture Hall of the Methodist Church. The Executive Committee met sometime before the public meeting, and did the business part of the work, re-electing officers and appointing collectors. In the absence of Mr. Addid, the Secretary acted as Chairman. Rev. J. R. Burnett opened the meeting with prayer, and Rev. E. R. James, Incumbent of the Anglican Church, read part of the 119th Psalm. After the singing of a hymn, the President delivered an address, dwelling upon the Missionary and Colportage Departments of the Bible Society. Rev. A. P. Latter, Pastor of the Methodist Church, then gave a short address, followed by the two above named Ministers. Rev. Mr. Caplan, the Society's Agent, then addressed the meeting. His speech was listened to with much interest, and approved by a vote of thanks. The tone of the meeting was that of loyalty to and high appreciation of the work of the Bible Society, and the meeting pledged itself to renewed efforts. The meeting closed with the doxology and benediction.

NEWTON ROBINSON, Nov. 3rd.—The Annual Meeting was held in the basement of the Methodist Church. Considering the size of the place, and the pitch darkness of the night, it was encouraging to find quite a number present. Rev. C. W. Reynolds opened the meeting with prayer. The President, Mr. James Lennox, read a portion of Scripture. After a hymn, which was heartily sung, and the President's address, the Secretary-Treasurer read the minutes of the last meeting. Rev. H. Caplan, Agent of the Society, then spoke of the importance of the work, and the Bible Society's efforts in all the world. Rev. C. W. Reynolds spoke in the warmest tones about the Society. The tone of the meeting was decidedly good, desiring to do more in the future than ever before. Officers were re-elected and collectors appointed. The meeting closed with the benediction.

MANSFIELD, Nov. 4th.—The Mansfield Branch of the Bible Society held its Annual Meeting in the Methodist Church at Perm. Notwithstanding the dark wet night, there was a fairly good gathering. The Pastor, Rev. J. S. Stephenson, opened the meeting with the doxology. After the devotions, the President spoke very enthusiastically of the work of the Society. The Secretary read the minutes of the last meeting, officers were re-elected and collectors appointed. A vote of thanks was moved to the officers and collectors. After Mr. Caplan's address the Rev. W. L. Atkinson, Presbyterian Minister, who seemed to be heart and soul in the interest of the Society, gave an address. The meeting closed with prayer and benediction.

SINGHAMPTON, Nov. 8th.—The Annual Meeting was held in the Methodist Church, and was not very well attended. Rev. J. Phimister was in the chair as President. After the devotional exercises led by the Rev. Mr. Mercer, Pastor of the Presbyterian Church, the chairman apologized for the apparent failure of the branch at Singhampton. After the Agent's address, Rev. Mr. Mercer made a short speech accentuating Mr. Caplan's remarks that they could not afford to lose such a glorious opportunity of helping on this most important work. Six collectors were appointed and officers elected. The meeting was closed by singing the doxology.

MAPLE VALLEY AND BADJEROS, Nov. 9th.—The Annual Meeting was held in the Methodist Church, Badjeros. The attendance was very good, considering that the people have to come from the outlying farms. A feature of the meeting was the attendance of so many young people and children. The President, Mr. Findley, presided, and the Pastor, the Rev. J. Phimister, conducted the opening services. The chairman then introduced Rev. Mr. Caplan, Agent of the Society, who spoke some encouraging words to the young people present, explaining the mission of the Bible Society to all the world.

RAVENNA, Nov. 10th.—The meeting was held in the Municipal Hall. The attendance was not large, but those who were there evinced the right spirit of loyalty to and appreciation of the work of the Bible Society. After the address by the Agent, the minutes of the last meeting were read by the Secretary. Officers were re-elected and collectors re-appointed.

HEATHCOTE, Nov. 11th.—The meeting of the branch was held in the Methodist Church, and was opened by the usual devotional exercises conducted by the Pastor, Rev. Mr. Lawrence and Mr. Hains, (Anglican student). The Secretary read the minutes of the last meeting. Officers were then re-elected, and the collectors appointed. The Agent, Rev. H. Caplan, was then called upon for an address, after which the President and Mr. Hains delivered short addresses, referring to the Agent's address as an impetus to their zeal, and said they hoped the work would be prosecuted with greater energy in the future.

WALTERS FALLS, Nov. 12th.—The meeting was held in the Church of England. The Incumbent was unavoidably absent. The meeting was well attended. Rev. Mr. Lemon, Pastor of the Presbyterian Church, conducted the devotional part of the meeting. In his address he referred to the great and blessed work of the Society. Officers were re-elected and collectors appointed. Rev. H. Caplan then spoke, relating his experience as a translator of the Pilgrim's Progress in Yiddish. He could not get any of the Societies in the Old Country to publish the work. They all said it would cost too much. His manuscript, he said, not having seen it recently, may by this time be half moth eaten. Without the British and Foreign Bible Society that would have been the case with almost all the manuscripts of the Bible translations. Men may spend years in making translations of the Holy Scriptures, but without the Bible Society to publish, etc., etc., of what use would their work be? The meeting pledged itself to renewed vigor in the effort to support the work. The meeting ended with the benediction.

BROOKLIN, Nov. 14th.—The Union Service, Sunday night, held in the Methodist Church was a real triumph for the Bible Society. The large church was crowded, the music inspiring, and the congregation devout, hearty, and most attentive. The Rev. Mr. Allin, Anglican, had service at Port Perry, and so was unable to be present, but both the Methodist and Presbyterian Ministers were there, and took part in the devotional part of the service. The Society's Agent preached a Bible Society sermon, pressing home the work of the Society, which has already translated the Holy Scriptures into 418 languages. A meeting was held after service, when officers were re-elected, and the Pastors undertook to appoint two collectors from each congregation.

TOTTENHAM, Nov. 17th.—The Annual Meeting of this branch was held in the Presbyterian Church and according to the Secretary's statement, was the best on record. Rev. A. F. Mackenzie, Methodist Minister, opened the meeting with prayer, and Rev. H. D. McCuaig, Presbyterian, read a portion of the Scripture. Officers were re-elected and collectors appointed. After the Agent had spoken for about half an hour, the Rev. Mr. Dreyer, Rural Dean, delivered an interesting address, dwelling on the usefulness of the Diglot Versions. The meeting was dismissed with the benediction by Rural Dean Dreyer.

JANETVILLE, Nov. 18th.—The meeting was held in the Methodist Church, and was quite largely attended. Unfortunately, the President was ill in bed, and the Secretary, a very old man, was unable to attend. The officers were re-elected and collectors appointed. We had some good music. The Agent's address seemed to interest the meeting greatly. After the taking of the collection and the singing of a hymn, the Agent closed the meeting with the benediction.

PONTYPOOL, Nov. 21st and 22nd.—By special arrangement, your Agent preached in the Presbyterian Church on Sunday, November 21st, when a very fair congregation had the opportunity of listening to an account of the work of the Bible Society, Mr. Caplan dwelt upon the words of our Lord's commandment to His Apostles: Matthew 28: 19, "Go ye therefore and *teach* all nations." Without the Bible how could that be done? Hence the need of translations of the Holy Scriptures, which is the work of the Society, and without which all Missionary efforts would amount merely to asking the non-Christians to accept a tradition.

The meeting on Monday night, November 22nd, was held in the Presbyterian Church, but was a failure. Except the Methodist Minister, Rev. Mr. Seckum, and two others, nobody ventured out, and nothing could be done.

HOPE, Nov. 25th.—The meeting was held in the Methodist Church, Canton, and was fairly well attended. The Pastor, Rev. Mr. Hoare, opened the meeting by giving out the hymn, and calling on the Rev. J. F. Mears, of Welcome, to offer up prayer. The minutes of the last meeting were read and confirmed. The Agent, Rev. H. Caplan, was then called upon for his address. Mr. Caplan dwelt upon the fact that the British and Foreign Bible Society was to the Empire of Jesus Christ upon earth what the Woolwich Arsenal is to the British Empire. The Missions of all the Churches could not do without it. Rev. Mr. Mears also spoke some encouraging words to the effect that they had received a fresh inspiration that night, and hoped the branch would do its best towards this great cause. All the officers were re-elected, and collectors for some new districts added to the rest. Rev. Mr. Mears pronounced the benediction.

#### REV. R. T. COCKBURN, PH.B.

BURGOYNE, Oct. 6th.—The meeting was held in the Presbyterian Church, with the President, Mr. A. McLaughlin, presiding. A fair audience and good interest, and special music was rendered by the Church choir. The financial report was the best yet. Rev. J. Alex. Brown also spoke briefly. The Agent addressed the meeting.

SOUTHAMPTON, Oct. 7th.—The meeting was held in the Baptist Church. Rev. H. D. Moore, Pastor of the Church, in the chair. The attendance was good. All the resident ministers were present, and took part in the meeting. Mr. J. C. Eckford, the efficient Secretary of the Branch, spoke in clear tones about the great work of the Society. All the old officers were re-elected. Your Agent addressed the meeting.

NORTH BRUCE, Oct. 11th.—The meeting was held in the Presbyterian Church. Rev. James Foote occupied the chair. The attendance was larger than it has been for some years. A good financial report was presented, and the usual business transacted. Your Agent addressed the meeting.

PINKERTON AND EDEN GROVE, Oct. 18th.—The Methodist Church at Eden Grove was the place of meeting. The President, Rev. A. W. Fortner, was in the chair. There was a small attendance, owing largely to unforeseen circumstances. The Agent addressed the meeting.

ARMOW, Oct. 19th.—The meeting was held in the Presbyterian Church. This Branch appears in good health. Mr. Forbes Robertson, who has been connected with the work for 34 years, was very ill, and unable to be present. He was made Honorary President. Last year he was made a life member of the Society. Mr. Duncan Campbell, the oldest director, was elected President, and conducted the meeting. The Treasurer's report was good. The Agent addressed the meeting.

GLAMMIS, Oct. 20th.—The meeting was held in the Presbyterian Church. A good attendance and interest. The collection for the evening was over \$12.00. The President, Mr. John C. Kennedy, was Chairman. An encouraging financial report was heard. The Agent addressed the meeting.

PORT ELGIN, Oct. 27th.—The meeting was held in the Methodist Church. In the absence of the President, Rev. Mr. Moore, the Rev. W. C. McLeod occupied the chair. A good report was given by the Secretary. The Depositary report was good, the sales for the year being much larger than last year. A willing choir enriched the meeting by leading the song service. The Agent addressed the meeting.

MILDMAY, Nov. 3rd.—The meeting was held in the German Evangelical Church, the President, Mr. Elliot, in the chair. There was a good audience and much interest in the meeting. Rev. Mr. Miller, amongst the oldest of the life members of the Society, commended the work of the Society. The Agent addressed the meeting.

PAISLEY, Nov. 4th.—The meeting was held in the Town Hall. There was a fair attendance. Rev. L. W. Deihl, President, was in the chair. The local Branch appears to be well organized. The sales in the Depositary were about the same as last year. The Agent addressed the meeting.

#### REV. T. WESLEY COSENS.

VARNA, Sept. 30th.—The Annual Meeting of this Branch was held in the Methodist Church. Both the resident ministers were present, and assisted in making the meeting interesting and profitable. The business was expeditiously transacted. Your representative gave an address on "The Conquests of the Bible Society." Our work lies very near to the hearts of the people of this community, and will doubtless receive their generous support, as in former years.

BLAKE, Oct. 1st.—A splendid audience assembled in the Presbyterian Church. The Pastor, Rev. Thomas Davidson, who is a warm friend of the Society, presided

The efficient officers were re-elected. At the close of the Agent's address, Rev. W. H. Taylor made a few thoughtful and sympathetic remarks. The collection was liberal. This rural branch is doing excellent work.

KIPPEN, Oct. 25th.—Having been stationed on this circuit at the beginning of my ministry, it was a special pleasure to meet some of the friends of former days. The meeting was held in the Methodist Church on Thanksgiving evening, with the enthusiastic President, Mr. W. H. Johnson, in the chair. The Pastor, Rev. John Hart, drove from Hensall, and rendered valuable assistance. Mrs. (Rev.) Gould, a returned missionary from Formosa, supplemented the Agent's address with timely and commendatory words that were highly appreciated.

AUBURN, Oct. 28th.—Here we had another fine meeting in the Baptist Church. In the absence of the President, Rev. Albert E. Jones, Methodist minister, presided, and prepared the way for the Agent by giving a short but stirring address. A very helpful feature of the meeting was the excellent music furnished by the choir. The attention throughout was appreciative. The prospect for a thorough canvass of the neighborhood is promising.

BAYFIELD, Oct. 29th.—I found this Branch in a flourishing condition. Several friends of the Bible Society assembled in St. Andrew's Church for the Annual Meeting. The Pastor, Rev. John McNeil, assisted in the devotions. Rev. S. John T. Fortner, of the Methodist Church, was elected President, and took charge of the service in a very able manner. All present listened with apparent interest as your Agent recounted the victories of "God's Word in God's World." Good financial returns may be expected.

HULLETT, Nov. 2d.—The Annual meeting was held in the Presbyterian Church at Londesborough. At the request of the President, Dr. MacCallum, the Agent conducted the opening exercises. The audience listened most attentively to the thrilling story of "Bible Dissemination in Many Lands and Languages." The officers of last year did their work well, and were unanimously re-elected. This Branch will maintain its creditable record.

SEAFORTH, Nov. 5th.—A very fine spirit characterized the meeting, which was held in the Methodist Church. The President, Rev. F. H. Larkin, being unavoidably absent, Rev. David Rogers occupied the chair, and in a few well chosen words pleaded for greater zeal and enthusiasm in this glorious work. At the close of the Agent's address on "The King of Societies and the King of Books," the officers were re-elected, and arrangements made for a systematic canvass of the territory." We expect an advance on the contributions of last year.

DUNGANNON, Nov. 11th.—Ideal weather, good roads, Ministerial co-operation, and inspiring listeners combined to make my visit to this Branch enjoyable. The meeting was held in the Methodist Church. Rev. L. Bartlett made an excellent presiding officer. Rev. Charles Rutherford and Rev. T. Hicks also took part in the service. The Agent's address on "The work and claims of the Bible Society" was well received. As usual, Dungannon will give a good account of itself.

NILE, Nov. 12th.—I visited the Depository, which is kept by Mr. R. McIlwain, and found everything satisfactory. The Annual Meeting was held in the Methodist Church. There was a splendid congregation present. President, Mr. J. Hetherington, and the Pastor, Rev. W. Conway, gave short forcible addresses before your representative spoke on "The Society and the Book." A good musical programme added to the interest of the meeting. Satisfactory reports were presented. There are a number of lovers of the Bible in this locality, who are willing to supply the much needed "sinews of war."

CONSTANCE, Dec. 9th.—We had an excellent meeting in the Methodist Church. The President, Mr. William Willson, took charge. The enthusiastic

officers were re-elected, and the faithful collectors re-appointed. Your Agent was the only speaker of the evening. The people of this community are deeply interested in Bible Society work, and liberal contributions are assured.

REV. T. COWAN.

BOWLING GREEN, Oct. 5th.—The Annual Meeting of this Branch was held in the Methodist church. Notwithstanding other attractions in the neighborhood, a goodly number of deeply interested people gathered to transact business. After the officers had been elected, and arrangements made for the annual canvass, your Agent addressed the meeting. This Branch is comparatively young, yet, owing to the intelligent interest of the officers, good results are obtained.

LAUREL, Oct. 6th.—The Laurel Branch held its Annual Meeting in the Presbyterian Church. In the absence of the President, Rev. Mr. Bell, Pastor of the church, presided, and spoke sympathetically of the work of the Society. Much interest was manifested in the work of the Branch and in the general work of the Bible Society, as presented by your Agent. All the old officers were re-elected, and arrangements made for the annual canvass. Good work may be expected from this young branch of the Bible Society.

WALDEMAR, Oct. 10th.—This Branch held its Annual Meeting on the Lord's Day at 11 a. m. in the Presbyterian Church. The Pastor, Rev. Mr. McDonald, had charge of the service, and spoke in the highest terms of the work of the Bible Society. The sermon was preached by your Agent to a very large congregation. At the close of the regular service, President Tolton presided, and conducted the necessary business arrangements for the year. Deep interest was shown, and the hope was expressed that greater work might be done for the spread of the Gospel.

GRAND VALLEY, Oct. 10th.—The Annual Meeting of this Branch was held on the Lord's Day at 7 p. m. in the Methodist Church. The plan followed is to unite the churches in one mass meeting in the interests of the Bible Society, rather than canvass from house to house. The ministers of the Methodist, Disciples and Presbyterian churches were present, and took part in the service. The annual sermon was preached by your Agent to a congregation that filled the building. President Tough and Secretary Dixon conducted the business part of the meeting. The choir of the Methodist Church rendered suitable music.

ARTHUR, Oct. 11th.—The Annual Meeting was held in the Methodist Church, Rev. W. T. Richardson, President, presiding. No money was sent from this Branch last year. The Pastors are seized with the importance of the work of the Bible Society, and are seeking to arouse interest on the part of their congregations. A fresh start was made, officers elected, and arrangements about completed for the annual canvass. The choir of the Methodist Church helped the meeting by rendering choice music.

DURHAM, Oct. 13th.—This Branch held its Annual Meeting in the Presbyterian Church, the President, Mr. J. H. Brown, in the chair. The Presbyterian, Methodist and Baptist pastors were present, and commended the work of the Bible Society. Your Agent addressed the meeting. All the old officers were re-elected. The depository kept by Mrs. C. L. Grant, is in excellent condition.

DROMORE, Oct. 14th.—Although the night was stormy and dark, a goodly number turned out to the Annual Meeting, which was held in the Presbyterian Church. The Pastor of the Church, Rev. Mr. Kendell, conducted the devotional part of the meeting, and spoke highly of the work of the Bible Society. In the absence of the President, the Vice-President, Mr. Snell, presided. The choir

rendered valuable service by contributing several selections of choice music. After routine business was transacted, your Agent spoke on the work of the Society, and its value to the churches.

CEDARVILLE, Oct. 15th.—The meeting was held in the Presbyterian Church at 8 p m, presided over by the venerable President, Alexander McPherson, who has occupied the position continuously since the opening of the Branch 20 years ago. The Secretary, A. McEachern, has held his present position for 15 years. Much credit is due these brethren for their self-denying labors. After the usual business, your Agent had the privilege of speaking on behalf of the Bible Society. Although the Depositary here is of the Roman Catholic faith, the books are well kept, and the year has been a prosperous one.

REV. W. H. A. FRENCH.

LONSDALE.—The Annual Meeting of this branch was held in the Methodist Church. The President, Mr. J. Smith, had moved to the North-West, and Rev. Mr. Woodyer (Methodist) acted in his place, and opened the meeting with prayer. Miss M. Frizzell, the Secretary, read the minutes of the last meeting, after which Mr. Fred McCullough was elected President, and collectors appointed to canvass the territory of this branch in three directions. The Agent then gave his address.

BATH.—The Annual Meeting was held in the Town Hall, and was the largest, according to Dr. Nash, the Secretary, that has ever been held since his connection with the town. Dr. Nash took the chair at the opening of the meeting, and, after prayer by the Agent, read the minutes. The Agent was then called upon for his address. At the conclusion of the address the Rev. Mr. McTear, President, who has been unavoidably detained, and who had arrived before the address was concluded, was called to the platform, and the meeting entered upon the work of organization, and the appointment of collectors to collect in Bath, Millhaven and another place.

GARDEN ISLAND, Oct. 8th.—The Agent received a notice just before leaving for the east that Garden Island did not intend holding a meeting this year, as it was difficult to have a satisfactory meeting, but the collections would be made as usual. Your Agent, however, went from Bath to Garden Island, and saw the President, Mr. Calvin, and the Secretary-Treasurer, Mr. McCaig, and one of the collectors (the other now residing in Kingston), and found that those interested in the work of the Bible Society are keenly alive to the necessity of its continued and increased operations. The difficulty that lies in the holding a meeting here arises from the number of transients employed on the Island. Garden Island intends to render fruitful and loyal support, and in the hands of the President and Secretary-Treasurer the Society's interests are secure.

WOLFE ISLAND, Sunday, Oct. 10th.—The Annual Meeting of this branch was held in the evening. In the morning your Agent visited the Anglican Church, and took part in the service, but did not address the people, because it was Children's Day for this congregation, and a special address was given by the Rector, Rev. Mr. Cox. Mr. Cox, however, who is a warm friend of the Society, spoke in the highest terms of its work, and urged the people to attend the meeting in the evening. The Annual Meeting was held in the Presbyterian Church, which was filled with a splendid gathering from the various churches. Rev. Mr. Dawson, the Pastor, officiated at the organ, Rev. Mr. Topping (Methodist) conducted the devotions, and then gave place to the President, Mr. Kemp. Mr. George Keyes, the Secretary, read the annual report. The Agent spoke for nearly an hour on the work the Society is doing in Canada and in the foreign field, after which collectors were ap-

pointed to canvass the Ridges, the Village, Big Bay, the Turnpike and the St. Lawrence at the lower end of the Island. The Secretary said it was one of the best meetings held for years,

CATARAQUI, Oct. 11th.—The Annual Meeting took place in the Methodist Church, Rev. Mr. Cassidy taking the devotions. Mr. Nichol, the President, then took charge of the meeting. Mr. James Cook, the Secretary, read the reports. The meeting was small on account of the heavy rain and dark night, but the people were enthusiastic, and the duty of Christians in giving it liberal support. The officers were re-elected, and collectors appointed.

WILTON, Oct. 12th.—The meeting was held in the Presbyterian Church. Rev. Mr. Boyce (Methodist) took the devotional part of the meeting. The singing of this church is always a feature of the meeting, and it was good, as usual. Mr. Asselstine, the President occupied the chair. The Agent's address consisted of a summary of the great work of the Bible Society, the Canadian work receiving special mention.

NEWBURGH, Oct. 13th.—The Annual Meeting was held in the Presbyterian Church. In the absence of the President, Mr. D. A. Nesbitt, B.A., Inspector of Public Schools, took the chair, and called on Rev. Mr. Duncan, B.A., to take the devotions. The Agent spoke along the lines of the Society's work, his address being supplemented by an address by the Rev. Mr. Spencer, Rector of Camden East. A vote of thanks was tendered the two speakers for their addresses. The Secretary, Mr. T. A. Dunwoody, read the reports of the past year. The officers were re-elected and collectors appointed.

YARKER, Oct. 14th.—The Annual Meeting was held, for the first time in the history of the branch, in the Anglican Church of St. Anthony. The night was pitch dark, and it poured with rain, but a fair attendance was present. The Rev. Mr. Spencer, Rector, took a shortened form of service. The Rev. Dr. Batstone gave great assistance to the meeting. The Agent urged the claims of the Bible Society upon the churches, especially upon the Anglican Church, which is dependent for its translations, of which 150 are necessary for it to accomplish its mission work abroad, for the most part, upon the British and Foreign Bible Society.

ENTERPRISE, Oct. 15th.—The meeting was held in the Methodist Church. The Rev. J. W. Whyte, Pastor, presided, and took the devotional exercises, after which the Agent was called upon for his address. After the address, Rev. Mr. Whyte supplemented the Agent's speech by some well chosen remarks on the way in which the foreign element had crowded out some of the churches in the City of Toronto, as being an illustration of their numbers there, and the necessity of enlarged operations.

TAMWORTH, October 17th.—Your Agent visited the Anglican Church in the morning, and preached to a fine congregation, inviting them at the outset to the Annual Meeting in the evening. The Annual Meeting was held in the Methodist Church, which was filled to the doors with a fine congregation composed of members from the various churches. The Pastor, Rev. Mr. Dixon, Rev. Mr. Jones (Anglican), and the Rev. Mr. Henry (Presbyterian) took part in the devotional exercises. The Agent gave a comprehensive view of the Bible Society and its work, showing its value to the Missionary Societies, and its needed operations in Canada. The Upper Canada Society, besides carrying on its own work in Ontario, renders help to the Quebec Bible Society, and sends a large sum of money to the British and Foreign Bible Society from year to year. At the conclusion of the address, the collection was taken up, and amounted in cash and written promises, to the splendid sum of \$50 00. The doxology was sung at the announcement of the sum raised by Tamworth. The three ministers present gave splendid

short addresses, supplemented by an earnest appeal by the President, Mr. H. E. Thornton, for the Branch to go on and improve still more on the work accomplished. Mr. George A. Reid, the Secretary, read the minutes which were adopted. Collectors were appointed to canvass the district. A hearty vote of thanks was tendered the Agent for his address.

SELBY, October 18th.—The Annual Meeting was held in the Anglican Church. The devotions were taken by Rev. Mr. Purdy, the Rector, after which the Agent was called upon to give an address. It was well received. Rev. Mr. Thompson (Methodist) and Rev. Dr. Purdy gave excellent addresses upon the work of the Bible Society. Mr. Ira B. Hudgins, the Secretary, read the report of the past year, which was adopted. Rev. Mr. Thompson, President, expressed his desire to have the Rev. Dr. Purdy take his place as President, which was acceded to. The meeting was very well attended. This was the second time the Agent went to Selby, having had to change the date of meeting on account of the call of Rev. Dr. Purdy to attend the Clerical Union in Stirling.

#### REV. H. HARPER, M.A.

ALTON, Oct. 1st.—Two meetings were necessary to cover the ground at this branch. The first was held at Alton in the Congregational Church, the ministers of the town being in attendance, and the President of the branch in the chair.

Another meeting was held at North Erin in the Presbyterian Church, on a Sunday afternoon, and a good congregation listened to the Agent's address. There should be increased returns from this branch.

CORBETTON, Oct. 4th.—This branch is in a flourishing condition under the able management of the officers. The President, R. J. Wood, Esq., occupied the chair at the Annual Meeting, and all necessary business was attended to. An attempt was made to hold a meeting at an outlying point, but, through lack of announcement, it was a failure.

HOPEVILLE, Oct. 5th.—This branch is very weak, and, outside of the officers, little interest is taken in Bible Society work by the public. The attendance was small at the Annual Meeting, but those present appeared interested in the address of the Agent. The Minister of the U. P. Church conducted the meeting in his own church.

HONEYWOOD, Oct. 6th.—A good sized audience attended the Annual Meeting, which was held in the Methodist Church. The choir rendered several selections suitable to the occasion. Addresses were given, and the regular business attended to. Much interest appears to be taken in the work of the Society, as evidenced by the reports.

ORANGEVILLE, Oct. 7th.—A very fine meeting was held in the Presbyterian Church, all the Ministers of the town being present except the Baptist Minister. In the absence of the President, Mr. Andrew Hill occupied the chair. Rev. H. Harper gave an address on "Canada's Call to the Church and Bible Society." Annual reports were submitted, and collectors appointed. Rev. George Hewitt, an energetic collector for the Society has removed to Hamilton, much to the regret of all.

SHELBURNE, Oct. 11th.—The conditions were most unfavorable to a successful meeting here. All the local Ministers were out of town, and the night was exceedingly stormy. A fair-sized audience met in the Methodist Church. Addresses were given, and the usual business transacted. The Depository was inspected, and the books found in good condition.

**HORNING'S MILLS, Oct. 12th.**—This branch is well manned by competent officers, vigorous and healthy in its growth, and has the best kept records it has been our privilege to listen to. On account of a storm, the audience was small, but enthusiastic. The local clergy assisted in conducting the service, and spoke most hopefully of the work of the Society.

**MONO CENTRE, Oct. 13th.**—On account of an accident, your Agent did not reach the place of meeting, but the business was duly conducted to a successful issue by the Pastor of the Church, Rev. Mr. McIlroy, and the officers of the Society. Another meeting is to be held at a later date.

**CAMILLA, Oct. 17th.**—Two meetings were held for this branch. The first early in the fall, but the farmers were not able to attend, and a second meeting was conducted by your Agent on Sunday afternoon, October 17th. A large congregation assembled in the Presbyterian Church, and much interest was taken in the work of the Bible Society. Rev. Mr. McIlroy, the Pastor, assisted in the service.

**MONO MILLS, Dec. 3rd.**—This branch covers a very large agricultural district, nearly four times as much territory as most branches. Much of its success is due to the energy of its officers. The Annual Meeting was a success, and good results may be expected.

#### REV. D. S. HOUCK.

**CHERRY VALLEY, September 20th.**—The meeting was held in the Methodist Church with Rev. E. W. Tink, Pastor, in the chair, who spoke a few well chosen words on behalf of the work of the Bible Society. There was a good attendance, and the church choir added much to the meeting. W. J. Embury, Secretary-Treasurer, was appointed collector also, which he very willingly agreed to do. After your Agent's address a collection and subscription was taken, resulting in a very good start, and we expect very good things from this Branch.

**CONSECON, September 30th.**—The meeting convened in the Presbyterian Church. Owing to the very rainy day and threatening evening, the attendance was small, but good interest was manifested by all present. Mr. Burgess, student, opened the meeting with devotional exercises, while Mr. Burr, President, conducted the business. The old officers were re-elected and collectors appointed, who were urged to do their work as early as possible.

**MILFORD, September 21st.**—The meeting was held in the Anglican Church. Rev. Mr. Seaborne, Rector and President in charge, opened the meeting. He was ably assisted by Rev. A. L. Brown, of the Methodist Church. The attendance was small, but a good meeting and an encouraging start was made on financial lines. Regret was expressed at the inactivity of the past two years, but with W. B. Scott as collector, as well as Secretary-Treasurer, you may expect better things from Milford this year.

**SHANNONVILLE, October 20th.**—The meeting was held in the Methodist Church. There was a good attendance. Revs. Mr. Wickett (Methodist) and Mr. Wagner (Anglican) were present, and each spoke kind words of our Society and its work. This Branch has done good work in the past, and your Agent received every encouragement to believe that interest would be continued. Mr. L. E. Mills, the efficient Secretary-Treasurer for many years, is still in office with Dr. Moore as President.

**MELROSE, October 21st.**—A heavy rain at the time announced prevented us having a meeting here, much to the regret of your Agent and the many friends of the Society in this vicinity. Revs. Mr. Cameron (Presbyterian) and Mr. Woodyer (Methodist), with A. J. McLaren, Secretary-Treasurer, met your Agent in the Presbyterian Church, and assured him that collectors would be appointed, and the interest of the Society looked after for the current year.

FOXBORO', October 22nd.—There was a fair audience at our meeting, considering the rainy night, in the Presbyterian Church. Rev. J. Galloway (Presbyterian) led the devotional exercises, and introduced your Agent. After his address, Rev. C. E. Cragg (Methodist) President, conducted the business. Many regrets were expressed because of the disagreeable night, but collectors were appointed to cover the entire community, and we hope for good things from this Branch.

TRENTON, October 24th.—Your Agent spent the day in Trenton, preaching in Grace Church in the morning, Johastown in the afternoon, and addressing a large union meeting in the interests of the Bible Society in the evening in Wesley Church. Rev. Mr. Moore (Methodist) and Rev. Mr. Wilkins (Presbyterian) took part in the service. President Ostrom conducted the business meeting, which resulted in the re-appointment of the old officers, and in arranging for collectors from the various churches to canvass for subscriptions. The choir of the church rendered excellent service of song during the evening, and this was one of the best meetings your Agent ever addressed.

FRANKFORD, October 25th.—The meeting was held in the Methodist Church, Rev. J. S. McMullen, Pastor, presiding, who also spoke enthusiastically of our work as a Society. After the Agent's address the old officers were re-elected, collectors appointed, and subscriptions taken, which gave them a nice start on what we hope, with good reason, will be a fairly successful year in this Branch.

STIRLING, October 26th.—A fair audience assembled in the Methodist Church for the Annual Meeting. Revs. Mr. Phelps (Methodist) and Mr. Hill (Presbyterian) took part in the devotional exercises. The President, Dr. Bissonette, occupied the chair, and introduced the Agent. After his address the business meeting was held, and on adjournment the Executive for the coming year met to make arrangements for the further work of canvassing for funds. Good things may be looked for from Stirling.

BLOOMFIELD, Nov. 28th.—The Annual Meeting was held in the Methodist Church at 7 p.m. There was a good attendance, considering the inclement weather. Rev. H. A. Sutton, of the Friends' Church, presided, and all seemed interested in the work the Bible Society is doing not only in Canada, but throughout the world. This Branch, as in the past, will do well.

WELLINGTON, Dec. 17th.—A stormy night prevented a large attendance at the meeting of this Branch, which was held in the Methodist Church. The collectors handed in their reports, and your Agent addressed the meeting. It was felt and expressed by several present that in future there must be an effort made to hold our own Annual Meeting on a Sunday evening.

#### REV. A. J. IRWIN.

LAKELET, Oct. 5th.—The community here is purely rural, and the attendance, owing to the busy season, was limited, but an active interest is taken in the work by the officers and collectors. The meeting was held in the Methodist Church, and was addressed by Rev. A. C. Eddy, B.A., B.D., and the Agent.

CLIFFORD, Oct. 6th.—A very enthusiastic meeting was held in the Presbyterian Church. The attendance was representative of the various churches of the village. The Revs. Mr. Little and Mr. Eddy took part in the programme. The Society here is in a vigorous condition.

MOUNT FOREST, Oct. 12th.—This branch is particularly well officered, and owes much to its President, Mr. A. W. Wright. The evening of the meeting was

exceedingly stormy, so that the attendance was small. The meeting was held in the Presbyterian Church, and was addressed by Rev. Canon Spencer and the Agent. A special feature of the work in Mount Forest is the outlying points as far as six and eight miles away are worked as part of the branch. They are represented on the Executive, meetings are held, and are addressed by local speakers, and collectors report to the Mount Forest Treasurer. We commend this plan to other branches.

TEESWATER, Oct. 19th.—A well attended meeting was held in the Presbyterian Church. Rev. D. Tait and Rev. Mr. Baker took part in the meeting together with the Agent. This Society is well organized, and works its territory thoroughly.

#### REV. R. MACNAMARA.

HOMER, Sept. 22nd.—The Annual Meeting of this branch was held in the Methodist Church, the Pastor, Rev. Mr. Isaac, in the chair. After the devotional exercises the usual business was transacted. STONEY CREEK, Nov. 12th.—The meeting was held in the Anglican Church, and was a success in every way. The Rector, Rev. W. G. Davis, presided and manifested a deep interest in the work of the Society. Rev. Mr. Davis was elected President, and Rev. J. A. McLaughlan, Vice-President. The work is now well established in this place, and good results may be expected. Your Agent gave the address, and was ably supported by Revs. Mr. Davis and Mr. McLaughlan.

COPETOWN, Nov. 16th.—The meeting was held in the Methodist Church, but owing to the very wet weather, the audience was small. Rev. Mr. Bowers opened the meeting with prayer, and after the reading of minutes and reports, the officers of last year were re-elected with the exception of the Secretary-Treasurer, who resigned in favor of Mr. Charles Howell. After an address by the Agent, Rev. Mr. Bowers closed the meeting with prayer.

The Agent then spoke of "The Aim and Work of the Society," and was supported by the Pastors of the Presbyterian and Methodist Churches.

WALTON, Nov. 5th.—The meeting was held in the Presbyterian Church. On account of some attraction in the village the same evening, the attendance was slim. Owing to the illness of the Secretary-Treasurer, his report was read by another. After the address of the Agent, the Pastor of the Methodist Church, Rev. Mr. Taylor, spoke some earnest words on behalf of the Society and its great work.

BRUSSELS.—The meeting was held in the Church of England, the Rector, Rev. Mr. Cameron, occupying the chair. After the devotions, Rev. E. G. Powell, Pastor of the Methodist Church, in well chosen words presented Mr. W. H. Kerr, the Secretary of the branch, with a Life Membership Certificate from the Upper

Canada Bible Society, in recognition of his long period of service. This branch is in a most healthy and flourishing condition, and has a remarkable record of service for the Society.

ATWOOD, Nov. 10th.—The meeting was held in the Presbyterian Church. Owing to another meeting being held in town the same evening, which was unavoidable, the attendance was not as large as usual. Rev. W. Amos, Pastor of the church, occupied the chair, and most enthusiastically endorsed the work of the Bible Society as presented by the Agent. This branch is doing excellent service in the way of contributions and through its Depository.

Phillips, showed that this branch is doing good and effective work. The Agent received a hearty and sympathetic hearing as he presented the claims and aims of the Society and its work.

#### REV. H. C. PRIEST, B.A.

WEST LORNE.—The Annual Meeting of this Branch was held in the Presbyterian Church on December 14th. The attendance was small, due partly to the fact that the President had removed from the place. With the present staff of officers, all of whom are deeply interested in the work of the Society, an enlarged interest is assured.

RODNEY.—There was a good attendance at this meeting, which was held in the Disciples' Church. Very close attention was given as your Representative discussed "The Relation of the Work of the Bible Society to the Missionary enterprise." The work of the Society holds no small place in the thought and interest of the various churches. The officers of the past year were re-elected and collectors appointed. The Depository was visited, and the stock found to be well kept, and suitably displayed. It was suggested that the sales might be increased by the Pastors calling attention to the Depository from their respective pulpits.

KINTYRE.—The attendance at the Annual Meeting of this Branch, held December 20th, was not as large as desired. It was evident though, that the Branch possesses some strong supporters of the Bible Society. The Rev. Dr. Barnett presided, and, in introducing the Representative of the Society, gave a strong endorsement of the work. The officers were fittingly re-elected, and collectors appointed.

ALDBORO'.—Organized in 1845, this Branch has, with its long record, proved its loyalty to the Bible Society. A unique feature of the Annual Meeting, held December 21st, was the presence of the veteran friend of the Society, Mr. McColl, who from the organization of the Branch, has been present at every one of the 55 Annual Meetings. The officers of the past year, who had rendered efficient service, were re-elected, and collectors appointed.

## REV. W. H. H. SPARKS.

ELMIRA, Oct. 18th.—The Annual Meeting of this branch was held in the Presbyterian Church at 8 p.m. The Directors met at 7 p.m., and prepared the reports, which were submitted to the meeting for approval. Notwithstanding the rain, the attendance was very good. Special music was provided by a choir, a quartette, and a soloist. The President, W. H. Otto, occupied the chair, and Rev. Mr. Burn conducted the opening service. The officers were re-elected. The way in which the work of this branch is conducted seems to your representative very satisfactory. Good work has been done, and considerable enthusiasm was manifested.

LINWOOD, Oct. 19th.—The Annual Meeting was held in the Presbyterian Church. There was no meeting held in 1908, chiefly owing to the absence of the President, who had moved away. The Rev. L. W. Those present promised to put forth a strong effort to assist in the great work of the Bible Society.

NEW HAMBURG, Oct. 22nd.—The Annual Meeting was held in the Evangelical Church. The President occupied the chair. Rev. C. H. P. Owen conducted the opening part of the service. Owen, who gave short, but inspiring addresses. Collectors were appointed. The work of the officers, collectors, Depositary, and local Ministers shows great interest and activity in this branch.

The attendance was good, though there was a blizzard blowing and the night very dark. Your Agent conducted the devotional exercises, as there was no other Minister present. The Secretary-Treasurer read the annual reports, which were encouraging. The old officers were re-elected but as Mr. Methers is leaving for the West, Mr. John Noble, Maple Valley, was made President. Your Agent told the story of Bible work in all lands, especially in Quebec and the Great West. The address awakened great enthusiasm and there was a promise made of larger financial returns than in the past.

Mr. Tough conducted the devotional service and spoke very helpfully of the work. The Secretary and Treasurer read the reports. The old officers and collectors were re-elected, and better things promised in the coming days. Your Agent told the story of the Bible in all lands and Missionary achievements.

THORNBURY & CLARKSBURG, Oct. 15th—The Annual Meeting was held in the Methodist Church. In the absence of the President, the Pastor of the Church presided, and Rev. Messrs. Piercey and Morny assisted in the devotional exercises. For such a stormy, wet evening, the attendance was large and much interest was shown. The reports were read and proved most encouraging. The old officers were re-elected and collectors appointed. Your Agent did the best possible to represent the Society and to tell the story of its great, world-wide work. The several Ministers present spoke kindly of the work and of the address, and pledged hearty co-operation to make this year the best the Branch has ever had.

COLLINGWOOD, Oct. 17th and 18th—Your Agent arrived in Collingwood on the 16th, from Thornbury. On the morning of the 17th preached in the Presbyterian Church and had a very large and deeply interested congregation. In the afternoon he taught the Bible Class in the Baptist Church and addressed the Sunday School, and in the evening addressed a large congregation. It was a fete day. On the evening of the 18th the Annual Meeting was held in the Presbyterian Church, the President in the chair. The attendance was good. Rev. Messrs. Cranston and Gilchrist led in the devotional service. The Secretary-Treasurer read the reports, which were most interesting and encouraging. The old officers were re-elected and collectors appointed. Your Agent told the story of Quebec and the Bible, and gave the fullest information. The meeting was one of great interest and promise.

MEAFORD, Oct. 19th—The Annual Meeting was held in the lecture room of the large Methodist Church, and, in the absence of the President, the Rev. Mr. Baker was asked to take the chair. The devotional service was conducted by the Anglican and Baptist Ministers. There was a good attendance, though the evening was dark and stormy, and had been for a whole week. The reports of the Secretary and Treasurer were encouraging. The old officers were re-elected and

collectors appointed. Your Agent gave an address on the Society's work and claims; it was well received and commended by the Ministers present. Meaford will do better than it has yet done for the Bible Society.

FLESHERTON, Oct. 20th.—The Annual Meeting was held in the Methodist Church, the President in the chair. There was a good attendance, though the weather was at its worst. Rev. Messrs. Wellwood and Stewart led in the devotional service. The reports of the Secretary and Treasurer were read and approved. Richard Allen, of Flesherton, was made Secretary in place of Rev. Mr. Kipp, who has left the district. Collectors were appointed. Your Agent gave what was termed "an informing and helpful address," and it was well received by the friends. Flesherton will do better than it has yet done. Rev. Messrs. Stewart and Wellwood gave brief addresses, and thus ended a good meeting.

HOLLAND CENTRE, Oct. 21.—The Annual Meeting was held in the Presbyterian Church, and, in the absence of the President, through illness, Rev. Mr. Bethune presided. The attendance was good, though the weather was at its worst. The Rev. Mr. Bethune conducted the devotional service, and spoke very kindly of the Society and its claims. The usual reports were made and officers elected—Rev. Mr. Walker as President and Mr. Richard Shute as Secretary. Suitable collectors were appointed; all returns to be made by the middle of December. Your Agent gave the address, which was well commended. It was a good meeting and will be remembered by both young and old.

OWEN SOUND, Oct. 24th and 25th.—Owing to the loss of correspondence your Agent found himself in Owen Sound without appointments for the Sabbath and the Monday. Other united meetings were in progress, shutting out the Bible Society. The officers assured your Agent that the financial interest would not suffer, but the Churches would at once use the Society's envelopes, and take up subscriptions. Your Agent visited the Depository, which is well kept, and has a stock suited to the needs of the district.

#### REV. DR WALLIS.

YORK, HALDIMAND CO., October 5th.—The Rev. J. Crowle, Methodist Minister, presided. Officers and collectors were appointed for the year, after which the address on Bible Society work was given by your representative. No doubt this Branch will do better next year.

CALEDONIA, Oct. 6th.—A very encouraging meeting was held in the Presbyterian Church. The President occupied the chair. After the appointment of officers for the year, a very helpful and instructive address was given by Rev. Mr. McQuarrie. Arrangements were made for a more thorough canvass of the town, and an offering was taken for the work of the Society.

WAINFLEET, (Marshville P. O.), Oct. 7th.—The meeting was held in the Baptist Church, and a few faithful ones were present. Rev. Mr. Harris presided. The officers were elected and collectors appointed to visit the district. The address was listened to with much interest, and it is expected that a good offering will be given by the people this year.

ONEIDA, October 11th.—A heavy rain fall just before the hour of meeting prevented many from being present. The President occupied the chair, and the Rev. B. Smith, Pastor of the Oneida Presbyterian Church assisted. The officers were re-elected and collectors appointed. A hearty vote of thanks was tendered the speaker, and a collection taken up for the Society's work.

BLACKHEATH, Oct. 18th.—This is a new Branch. The meeting for organization was held in the Presbyterian Church. Rev. Mr. Davidson opened the

service, and introduced the speaker. After the address, it was decided to organize a Branch of the Bible Society. Mr. Adam Gibson was elected President, and Mr. John McKay, Secretary-Treasurer. Collectors were appointed, and the territory divided so as to give everybody an opportunity of assisting the work of the Society. Good results should follow the forming of this Branch.

CAYUGA, Oct. 26th.—The meeting was held in the Methodist Church. The usual business of hearing reports and electing officers took considerable time. The address was listened to with much interest, and a vote of thanks given the speaker. Much interest was manifested by those present. The same collectors were again appointed for another year.

BINBROOK, November 18th.—The Annual Meeting of the Binbrook Branch was held in the Baptist Church. There was a fair attendance. The Presbyterian Minister, Rev. W. J. Sarkissian, presided. The officers for the year were elected, and collectors appointed. Much interest was manifested in the address, and a vote of thanks was tendered the speaker.

REV. JOHN DAVIDSON.

(Substitute for Rev. Dr. Wallis.)

CAISTORVILLE, Sept. 28th.—The Annual Meeting was held in the Methodist Church. Mr. A. W. Edwards, the President, occupied the chair. There was a fairly good attendance. The reports of the year were read by the Secretary-Treasurer, Mr. W. R. Wilcox, and showed something of an advance over last year. The reports were adopted, and after some remarks made by Rev. Mr. Springer, Minister of the congregation, an address was given by Rev. John Davidson, of Blackheath, who took the place of Rev. Dr. Wallis, of Caledonia, Agent of the Society, who was unable to be present. Mr. Davidson spoke on "The Aims, the Character and Extent of the Work of the Bible Society," referring to the work of the Upper Canada Bible Society in Ontario and its contributions to the Quebec Auxiliary, and to the British and Foreign Bible Society, giving an account of the needs of the circulation of the Bible in the Province of Quebec, and also of the importance and extent of the work of the Parent Society. He gave reasons why the work of the Bible Society should be liberally supported, and urged upon the people of Caistorville and the neighborhood to increase their contributions, and to extend their field of operations, as there is no other branch of the Bible Society very near to Caistorville. The spirit of the meeting was good and earnest, and interested attention was given to the proceedings of the evening. It is to be hoped that a favorable impression was produced, and that an advance will be made in contributions for the carrying on of such an extensive, blessed, and magnificent work as that in which the Bible Society is engaged.

## BRANCH REPORTS

### REPORTS OF BRANCH SOCIETIES WHICH HELD THEIR MEETINGS WITHOUT AN AGENT

**BELLEVILLE**—One of the best attended annual meetings of the Bible Society took place last evening in the Tabernacle Church lecture room, and those present listened to a masterly address by the Rev. Dr. Bishop, of Bridge Street Church. President, Rev. Robt. Wallace. 1st Vice-Pres., S. A. Garduer. 2nd Vice-Pres., W. Deacon. Treas., A. L. Green. Sec'y, H. C. Hunt. Executive, Pastors of the city churches, Messrs. Walter Alford, C. A. Hart, E. Botterell, S. Russell, W. P. Hudson, John Elliott, C. M. Reid, P. Canniff, J. E. Walmsley, and Thos. Nightingale. The encouraging feature was the report of the treasurer, Rev. A. L. Green, which showed total collections for the year to be \$203.11, an increase of about \$68 over the previous year. The chairman and president, Rev. Robt. Wallace, in reviewing the work stated, that whilst this was materially better than last year, still comparatively few contributed, and many in very small sums, indicating a lack of interest or an intelligent knowledge of the mighty work the British and Foreign Bible Society is doing.

**BRUCEFIELD**.—The Annual Meeting of this Branch of the Bible Society was held in the Union Church, Brucefield, on the evening of October 27th. There was a good attendance. Mr. George Forrest was in the chair. All the officers and committee were re-elected. A paper prepared by Mr. George Forrest was read, the subject being "The Bible, what is it?" An address was given by Rev. Mr. Taylor, Methodist Minister. He spoke chiefly on the work and benefits of the Society. He also spoke of the Laymen's Missionary Movement. The meeting was enlivened by several selections of music by the Union Church choir. It was a very pleasant and profitable meeting.

**BURLINGTON**—The Annual Meeting of the Burlington Branch Bible Society was held in St. Luke's Sunday School room on Wednesday, Nov. 17th. The night was cold and stormy, but there was a fairly good attendance, and every congregation in the town was well represented. All the pastors were present and each one took some part in the proceedings of the evening. Rev. W. H. Moss, president of the Society, took the chair. The secretary, Rev. Jas. Kendall, read the report for the year, which was, on motion, adopted. The collectors were thanked for their services and requested to serve another year. The officers and committee were appointed and all the business for the annual meeting was transacted. One important step forward was taken, as two additional beats were added to those already occupied by collectors. These are on the Middle Road, and now all the way from Aldershot to Appleby will be canvassed by our collectors. The chief speaker of the evening was Rev. J. V. Smith, D.D., of Centenary Methodist Church, Hamilton. He moved the adoption of the report, and this was seconded by the Rev. W. F. Hovey, of St. Luke's Church. Rev. Dr. Smith's address was one of supreme excellence and great power. In his first sentence he arrested the attention of all present and held it to the close. He spoke of Bible Society work and of the circulation of the Word of God in all lands.

COMBER, Nov. 21.—Owing to the inclement weather, the attendance at the Bible Society meeting in the Methodist Church on Sunday evening, was not what it would have been had the night been fine. Mr. Joseph Mitchell, the President of the Branch, presided. Rev. Mr. Dobson and Rev. Dr. Smith presented the claims of the Bible Society and spoke of the privilege of enjoying the Word of God in our own homes, and of sending the Bible to those who have it not.

DELHI, Oct. 7th.—Our Annual Meeting was held in the Presbyterian Church on the evening of the above date, Rev. Mr. Armstrong occupying the chair. The attendance was very small. The usual reports were read and officers and collectors appointed. Papers were then given by Mr. C. E. Hetherington and the Secretary, followed by a short address from Rev. Mr. Armstrong. Owing to adverse circumstances, our contributions are somewhat decreased this year, but Bible Society interest is steadily advancing.

FORDWICH.—The Annual Meeting of the Fordwich Branch was held on Sunday evening, October 10th, in the Methodist Church. The President, Mr. Sol. Strome, took charge of the meeting. After the devotional exercises the Secretary-Treasurer read the reports of the several meetings held during the year; also the financial statement. Rev. A. B. Dobson, Pastor of the Presbyterian Church, gave the principal address. There was also a short address by Rev. J. Ball (Methodist) and one by Mr. Watters, which were listened to with interest by a large congregation. Meetings were also held in connection with the Branch at Orangehill, Redgrave, Maine, and a Union Meeting of the Baptists and Dunkards in the Baptist Church. This Branch has conducted its meetings for years without the assistance of an Agent, and is in a flourishing condition. Our Branch has suffered a great loss in the death of our late Secretary-Treasurer, Mr. Thomas Goggin, who for nearly twenty-five years served the Society as Secretary-Treasurer, and his zeal and untiring efforts were a great means of raising this Branch to the high standard it now attains. The old Board of Directors was re-elected, with an additional member from each of the outside appointments, Maine, Baptist, Dunkard, Redgrave, and Orangehill Churches. Our Branch is increasing every year, which affords us much pleasure in this great work for the Master—endeavoring to place the Word of God in every hand, trusting that the good seed may be planted in their hearts. The proceeds for this year are in advance of last year to the amount of \$16.12.

HARRINGTON, Sept. 21, 1909—The Annual Meeting of this Branch was held in Knox Church, Harrington, on September 21st. The attendance was small, partly owing to the busy season of the year. The President, Mr. Alfred Dunnell, occupied the chair. The meeting opened with reading a portion of Scripture and prayer. The minutes of the last annual meeting and the financial report for the past year were read by the Secretary and adopted. The officers and collectors were all re-appointed. Rev. W. E. Hassard, B.A., B.D., addressed the meeting, telling in a very interesting way of the marvellous work being done by the Society. His address was illustrated with lime-light views. He directed the attention of the audience to the large influx of foreigners into Canada, and he said it was the duty of Christian people to give these strangers the Bible in their own tongue. The Society's Colporteurs find that their Books and labors are much appreciated by the people everywhere. The address and illustrations covered in a partial way the operations of the Society from its beginning until the present time. Altogether, the work being done by the Society was brought out in a very clear and interesting manner. We expect to hold our next annual meeting without the assistance of an Agent.

NIAGARA—The Annual Meeting of the local Branch of the Bible Society was held in St. Mark's Schoolhouse, on Wednesday evening, and was more largely attended than usual, the special attraction being the illustrated lecture by the Rev. Jesse Gibson, Secretary of the Upper Canada Bible Society. The business of the evening was first disposed of. The minutes were read and approved. The trea-

surer's report was presented, showing collections of \$127.51, an increase of \$7 over last year. A vote of thanks was given the collectors for their service, and their re-appointment met with popular approval. The officers elected were—President, Alfred Ball; Vice-President, James Gordon; Sec'y-Treas., W. D. Caskey; Committee, Rev. J. C. Garrett, Rev. A. F. MacGregor, Rev. Mr. Creighton, and Messrs. Kemp, Ryan, Eckersley, Randall, Harrison, Stewart and Mosher. The lecture was instructive and interesting, and all present heartily concurred in the vote of thanks that W. H. Harrison afterwards suggested. The Rev. Mr. Gibson is a very eloquent and able speaker, and his audience on Wednesday night learned a great deal about the Bible Society and its work which they never knew before.

**OAKVILLE**—The Annual Meeting of the Oakville Branch of the Upper Canada Bible Society was held in the Lecture room of the Presbyterian Church, on Wednesday evening, February 9th, with President Chas. J. Page in the chair. Rev. Jesse Gibson, of Toronto, gave a lecture entitled "A Trip Across Canada with the Bible Society." The lecture was beautifully illustrated with lantern views. The Society publishes the Bible in every known language at the rate of about twenty thousand copies a day. They are certainly doing a great work and deserve the hearty support of all Christian people.

**PORT HOPE**—The Port Hope Branch of the Upper Canada Bible Society met in St. Paul's Church, on February 2nd, when reports were received and business of the Branch transacted. The officers for the year are—President, Mr. A. Fulford, Sr. 1st Vice-Pres., Mr. Jas. Craick. 2nd Vice-Pres., His Honor Judge T. M. Benson. Treasurer, Mr. J. F. Clark. Secretary, Mr. J. P. Reed. Total receipts for 1909, \$111.10. Rev. W. G. Clarke, B.A., gave the address of the evening; in a very forceful and interesting manner did he present the work of the Bible Society; he likened the British and Foreign Bible Society to a great tree with branches extending throughout the world. The Canadian work is a great limb, of which the Upper Canada Bible Society is a branch, with the local societies as smaller branches, and the individual members as the twigs on which fruit is borne.

**ST. ANNS**—The Annual Meeting of the St. Anns Branch Bible Society was held in the Silverdale Methodist Church on Sunday evening, October 24th. The meeting was opened with prayer by Mr. Richard Lane, President. After the devotional exercises and the appointment of officers, Rev. Mr. Terry, of Wellandport, gave an excellent address on "The Call of the World for the Bible." The meeting next year will be held in the St. Anns Presbyterian Church. Since the meetings have been held under local arrangements, the attendance and contributions have been larger.

**STRATFORD**—The annual business meeting of the Stratford Branch of the Bible Society was held last night in the Baptist Church in connection with a union prayer meeting of the different churches. The president of last year, Rev. T. J. Thompson, occupied the chair, Rev. S. M. Hauch read the Scripture lesson, and Rev. D. E. Martin offered the opening invocation. Mr. J. H. Moffat, the retiring secretary, read the annual report which showed that \$281.48 had been collected the past year, which after deducting \$3.00 for postage and other expenses left \$278.48 to be devoted to Bible Society purposes. The report of the executive was also read by Mr. Moffat. It recommended the appointment of the following officers for the ensuing year: President, Rev. D. E. Martin; Secretary-Treasurer, J. D. Woltz; Directors, all the city Pastors, Duncan Stewart, W. Ireland, Mayor W. S. Dingman, J. J. Mason, W. H. Tretheway, Frank Hall, W. J. Mooney, Dr. Silcox, W. H. Schneck, J. A. Gray, B. Leckie and J. H. Moffat. A resolution that the executive take into consideration the placing of a copy of the Scriptures in every hotel was left over to be dealt with by the new executive. The report was adopted and on motion of Rev. John Kay and Mr. W. Ireland the hearty thanks of the meeting were passed to the collectors.

**WELLAND.**—The Welland Branch of the Upper Canada Bible Society held their annual public meeting last Sunday night in the Methodist Church, at the close of the service. There was a large attendance. The following ministers were present: Rev. J. D. Cunningham, President, and Revs. Thompson, Robertson, Swayze and McCuaig. The speaker of the evening was Rev. Jesse Gibson, General Secretary of the Upper Canada Bible Society. The address was instructive and interestingly delivered. Mr. Gibson traced the growth of the Society, till at the present day it is printing the Bible in 418 different languages, and distributing to the new comers in Canada the Bible in 80 different languages.

**WHITBY.**—Much interest was manifested in the meeting of the Whitby Branch of the Bible Society, for the music hall was well filled with an interested and appreciative audience. Shortly after eight o'clock Rev. A. F. Barr, the President, took the chair and opened the meeting. That well-known hymn, "All hail the power of Jesus' Name," was sung, followed by Scripture reading by Dr. Abraham and prayer by Rev. W. B. Tighe. Contrary to the usual rule the President did not make a lengthy address, but confined his remarks to a few words as to the debt all the denominations owe to the Bible Society in providing the word of God in many languages. If it were not for this the missionary work of the world would be hampered and kept back. We owe much to the Bible Society, and we should give it loyal and hearty support. Secretary Johnston's annual report was splendidly prepared, and was very interesting. Mr. Johnston himself being unable to read it owing to failing vision, addressed a few words to the meeting, and called upon Mr. L. T. Barclay to read the report. Touching reference was made to the loss of two earnest workers from the Executive Committee, Mr. David Ormiston in December last, and Rev. D. O. Crossley in January. The financial statement showed that the total receipts were \$277.19. The following officers were elected:—President, Rev. J. J. Hare; Vice-Presidents, Charles D. Gordon and resident ministers; Secretary, Ross Johnston, with Mr. George W. Dryden, Associate. Rev. H. M. Manning in a complimentary speech moved the adoption of the report, which, in the absence of Col. Farewell, was seconded by C. A. Goodfellow, and carried. Mr. Manning was greatly pleased at the interest manifested in the Society as evidenced by the large receipts and the splendid attendance at the meeting. A vote of thanks to the lady collectors was moved by Rev. W. B. Tighe, in the absence of His Honor Judge McCrimmon. This was seconded by H. W. Wilcox and unanimously adopted. The hymn "Onward Christian Soldiers" was then sung, and the President introduced Rev. Jesse Gibson, of Toronto, the Secretary of the Upper Canada Bible Society, to deliver his illustrated lecture "A trip across Canada with the Bible Society." This proved to be one of the most interesting addresses that the Society has had, at least in recent years. Upwards of 100 excellent views were thrown on the canvas, all of them of much interest, particularly as they were woven into the woof of the interesting and eloquent address. The views held a special interest for the audience because they were of our own country, and much that was new was brought to their view and knowledge. At the close of the lecture Rev. Dr. Hare and Mr. C. D. Gordon moved a vote of thanks to the lecturer. The audience carried this in the most hearty manner.

**WOODVILLE.**—The Annual Meeting of the Woodville Branch was held in the Presbyterian Church, on Wednesday, December 8th, Rev. R. A. Whattam in the chair. After devotional exercises the officers were elected for the ensuing year. The Chairman then introduced Rev. W. E. Hassard, District Secretary, who gave a most helpful address on the aim and work of the Bible Society. The meeting closed with the benediction by Rev. Mr. Hassard.

## EMINENT CLERGYMEN ON THE BIBLE SOCIETY.

---

HIS GRACE THE ARCHBISHOP OF RUPERT'S LAND, D.D.

"The work of the Bible Society has my fullest sympathy and support. Quite apart from the blessing and help it has brought to the Christian missions all the world over, I feel that it has laid our Indian missions under a special obligation by the generous assistance which it has rendered to us in publishing free of cost many translations of the Bible in the native languages. Our Church in North-West Canada in this way owes a deep debt to this Society, and should accord to it a very cheerful and liberal support."

THE BISHOP OF SASKATCHEWAN.

"If my testimony to the value of the Bible Society is of any interest to you, I can honestly and heartily give it. Among the Irish settlers of the lumber camps of the Upper Ottawa many years ago, I experienced the value of its help. Later, our work among the Indians and Eskimos of the North would have been seriously crippled had we not had the B. & F. B. S. at our back. While I was the Bishop of Moosonee we received hundreds of New Testaments in Cree, and of portions of Ojibway, which latter the Society was printing as our Missionaries translated. The Missionary could often only see the Indians for a few weeks in the year; but the Testament was with him and used by him all the year. Our demands on the Bible Society were heavy, but were never refused. I believe there is a great work to be done by the Bible Society among the various European Nationalities now settling in the North-West, some of them almost destitute of Christian Light."

THE REV. C. W. GORDON, D.D. (RALPH CONNOR)

"All enterprises that are missionary have a church or organization behind them. The Bible Society has none. This is at once its advantage and its weakness. Yet there is not a Church in Western Canada that can do business without the help of the Bible Society. When we began as a Church to ask the question, "How can we make Canadians out of Galicians?" we found this to be our initial difficulty; the difference in speech barred our entrance to their minds and hearts with our ideals of things moral and spiritual. The truths of our religion, involving all that made for worthy citizenship, we could not convey to them. What did we do? We went to the Bible Society, and they gave us thousands of copies of the Bible, making them a free gift. These we gave to missionaries and colporteurs and later to their own priests who distributed freely among the people this wonderful Book that contains at once the foundation of all true citizenship and the hope of eternal life. But if

anyone thinks little of the work of this Society, or may be tempted to make light of this Book, I would ask him to remember that it is in this Book alone that humanity has any sure word as to the great future that lies beyond the grave."

THE REV. D. B. HARKNESS, M.A., WINNIPEG.

"The Bible Society no longer needs from anyone words of general commendation. Its own reports of ceaseless and world wide service are its best certificates of character. Yet, as one associated with the missionary efforts in behalf of the diverse nationalities of Western Canada, I wish to express a sense of great gratitude for the work of the Bible Society in this new land. We find in it a constant and unfailing ally, and one which in many respects outruns in its ministry the Denominational Missionary Organizations."

REV. J. W. SPARLING, D.D., WESLEY COLLEGE, WINNIPEG.

"I regard Bible Society work as lying at the foundation of all missionary work, and one, therefore, that is worthy of the loyal and hearty support of every well wisher of the Kingdom of God."

REV. S. P. ROSE, D.D.

"I count it a privilege to have a share in the work of this Society. It is no exaggeration at all to say that the B. & F. B. S. is the most liberal, generous and widely honored Society in existence, and much could be said of its work and the work of the Book it publishes. In this critical condition of our country, we are facing nothing short of a national crisis, perhaps a national peril, and this peril may readily be averted, and one of the best ways is by loyalty to the Bible Society. If we put a Bible into the hands of our foreigners, and follow this up with the missionary, then we may hope for them and for ourselves."

REV. CANON CODY, D.D., LL.D., TORONTO.

"The Bible Society depot is the great arsenal of the Church's weapons. Nearly all the British missionary societies and several European and American, representing all branches of the Reformed Faith, obtain the Scriptures they need for their work from the Bible Society, and the returns from the sales cover only about forty per cent. of the cost. The Society has never refused the request of any mission to print and publish a properly authenticated version of the Bible in a new dialect or tongue. The whole missionary work of the Christian Church would be impaired and hindered beyond measure if the operations of the Bible Society were curtailed."

THE FIFTH ANNUAL REPORT  
OF THE  
*The Canadian Bible Society*  
AUXILIARY TO THE  
BRITISH AND FOREIGN BIBLE SOCIETY

FOR THE YEAR 1909.

The year just closed, the fifth in the life of the Canadian Bible Society, has been one which calls, as each succeeding year has done, for devout acknowledgement of the goodness of God. His hand has been upon us for good; and the record that the year has seen built up makes evident the favour He has shown. In its issue our work is the building of defences: the fashioning of men in the image and spirit of Christ, that they may be able not only to repel the base and the evil, but to love the high and the best; for by the Word of God comes the light of truth and life. This is to widen the kingdom of righteousness and peace and joy; and for any of us to have sight of that kingdom expanding is to have cause for unfeigned thanksgiving. Cordial thanks are gratefully recorded to all who have contributed to make this the most successful year in the short annals of the Canadian Bible Society.

The year leaves us poorer by the passing away of one friend and another. Early in the year Rev. W. McIntosh, of Ottawa, was taken suddenly from his work and usefulness. He was a representative of his Auxiliary upon our General Board, and was present at our meeting last year in St. John. He showed an active interest in all our proceedings.

By the death of Rev. Principal MacLaren, D.D., the Christian community suffered a heavy loss. Full of years and full of honour he passed away, bereaving not only the Church of which he was one of the most trusted leaders, but the whole Church of Christ in Canada. The riper his age became, the warmer the admiration felt for his transparent sincerity of Christian character. He was identified with every phase of evangelical religion, and in the Bible Society and its work in Canada as well as in the wide world beyond he took the deepest and most constant interest.

### PROGRESS.

Engines make thousands of revolutions ere they can be got to work sweet and smooth to the engineer's joy and pride. Time and action perfect the machine. Time and action are perfecting the machinery of the young organization, whose activity and progress we are recording. What progress has been accomplished is suggested by the single fact that the income from Canada for Bible work in the first year of the Society's being amounted to \$32,000.00 and that of the year now ended to \$58,000.00. Or a detail may be cited: the income of one Auxiliary five years ago was a little over \$2,000.00; last year it was nearly \$3,400.00.

But, vital as it is, revenue is no adequate criterion of progress that is going on in more directions than one.

Bible Society work, as is well known, has won approbation for itself everywhere; but in multitudes that is an approbation which never goes beyond the sentiment itself. It seeks no tidings; it gives no aid—or next to none. But now interest is awakening in many. They discover a greatness and grandeur in the work; it appeals and thrills. Devotion follows interest; and there are many tokens that multitudes are being won to interest and devotion. Writes one of our secretaries, "The use of lantern slides and the delivery of large quantities of literature have given many a clearer insight into the greatness of our work; and, altogether, the general improvement taking place all along the line is a sure sign of progress, which will, in the near future, be the means of increased revenue."

This advance is due largely to the leadership and advocacy of our District Secretaries; whose addresses, persuasive, pertinent and well informed, have done not a little to attract popular interest to the great work being done, as well in the white harvest fields of heathendom, as also in the quickly growing population in Canada. Quickly growing; for during the last five years more than a million immigrants have entered this country (1,010,000).

### STRANGERS AND FOREIGNERS.

The intelligent citizenship of the Dominion is recognizing the obligation Canada is under to assimilate the nationalities now within our borders for good. Already is the problem far beyond the resources of the Christian church. Every denomination is at work, and working bravely for their evangelization. Need it be said that in order to make their labours possible, not

to say productive, the Bible Society makes generous terms for the Scriptures in the vernacular? Moreover in our Colporteurs (60 in number) we have an expeditionary force, so to speak, hastening with immediate assistance to all whom the churches cannot reach.

Recognition and appreciation of this Bible Society service are increasing, and soon we may be able to count on the Christian ministers as the first of friends in their support. For it is foundation work upon which all their own aggressive work proceeds. We append a table of the nationalities last year entering Canada; it shows at a glance the magnitude the problem has attained.

53 different nationalities represented.

The primitive peoples of Canada must ever claim the sympathy and service of Christian men. Long thought to be a race diminishing in numbers, and apparently destined to disappear, they have begun to increase, and are now steadily but slowly growing in number. This circumstance presents their needs in a new and unexpected light. The efforts to evangelize them require to be reinforced with intelligent zeal and gathered wisdom. If the red men could be won to a Christian citizenship would they not be an added glory to the Christian civilization of this Dominion?

Attention was called in last year's report to the reissue of the Bible for the Crees and to Archdeacon Mackay's labours in relation to that. The Indians are very grateful to the Society for this generous gift; and those who are working among the Crees were quick to recognise the value of the revision for their own

missionary labours. Thus the Synod of the Diocese of Saskatchewan forwarded the following resolution of thanks: “(The Synod) desires to express its deep gratitude to the British and Foreign Bible Society for its liberality in publishing the Revised Version of the Holy Scriptures in the Cree Indian language. (The members of Synod) realize the truly Christian generosity of the Society in providing the Word of God not only for the millions in China, among other thickly populated countries, but even for the few and scattered natives of this land; and they earnestly pray that God’s blessing may rest on the Society and its glorious work.”

Readers of the BIBLE IN THE WORLD may recall the touching instance of such gratitude as it came under the notice of the General Secretary, in one of the industrial schools for Cree Indian children, who, out of their poverty, gave some \$9.00 to help the Society in its work.

#### ORGANIZATION.

In two directions the organization of the Society has been carried nearer to completion. In the closing month of our financial year the last District Secretary was appointed; and thereby the only remaining Province unprovided for was equipped for its work. The new secretary is the Rev. J. Knox Wright, B.D., and the field of his responsibility is the Province of British Columbia. Thus the whole of our territory is distributed, and the condition essential to successful working secured at length.

A little earlier in the year, an event, notable in our brief annals, transpired in the Eastern part of the country. The three Auxiliaries of New Brunswick decided to amalgamate into one Auxiliary for the province. The same has been done in Nova Scotia by two of the three Auxiliaries there. Such co-ordinating of the forces makes a real advance in working power. As a matter of fact, that is already in evidence in the renewed activity and liberality within the province of New Brunswick.

#### COLPORTAGE.

Colportage is the cardinal field activity of the Society. In Canada this activity follows two lines of operation. In one it is directed upon the new arrivals. At every port of entry in the East our Bible messengers are on duty; and in the West, British Columbia is planning for similar work to be overtaken on the Pacific Coast.

In the other it is directed upon the isolated workmen, and the more lonely settlers inland. Our Bible men seek the lumber, construction, and mining camps; the sawmill, the cannery, and the factory; the homestead and the shack:—wherever, in short, the likelihood appears of their being able to place in the hands of brother men the word of God in the mother tongue.

In the statement of work accomplished by the Quebec Auxiliary, there occur the totals in connection with the Colportage in the province, and also in connection with the work done by the Bible woman in the immigration sheds. Cold figures mean little to be sure; but clothe these with the significance that belongs to each separate Scripture, and the imagination begins to realize the potentiality of such generous distribution of the Word of God.

Eight were engaged in the work of colportage. They distributed 1,676 Scriptures and 1,552 were given out on loan. In the course of this distribution the workers paid nearly 13,000 visits. Conceive what may arise from workers seeking some 12,000 or 13,000 times an opportunity of showing in a simple heartfelt way to those they visited that the Saviour of the World is sending His message of love to them.

To the immigrants landing at Quebec during 1909 there were given 28,120 gospels, 302 New Testaments, and 27 Bibles: a total of 28,449 Scriptures. The people receiving these got them each in their native tongue; and they represented 32 different languages. When the harvest of these labours comes, who will be the reapers? None can say; for sower and reaper will be far apart; but the harvest is sure and will shame all fears.

“Dear Sir,—This ten dollars is for to print the Scriptures or portions of it in Diglot Version. From a friend of Christ’s.” The letter is anonymous, but we surmise it is from some one to whom our colportage has brought the life which is life indeed.

“Me read, and read Bible, and me think what me read, and God help me to think; and then me know God love me, and Jesus my Saviour.” These broken sentences, full of feeling, are a Japanese woman’s most touching testimony of how the New Testament she had bought from Colporteur Turnbull had led her to the love of Jesus Christ.

Following are two extracts from the reports of a colporteur and a Biblewoman. “We have sold over two hundred testaments in the different languages. On the road God has helped us to do the work and given us strength to bear the burden. Have, with only two or three exceptions, been cordially received

by both contractors and men. Have been the only Protestant minister on the road. Have held sixty one meetings; preached in six different languages."

"I visited a Syrian family and found that the mother had been ill with rheumatism for about six months. I read the Scriptures to her, and she, her husband, and her daughter were very glad to have some one read to them in their own language. They listened very attentively. The old man asked me to give him an Arabic Bible. I did so; and he was delighted, saying, 'I have been in Toronto for thirteen years, and you are the first person speaking my language to enter my home. I did not know I could get an Arabic Bible in Canada.'"

The full extent of our work by means of colporteur and Biblewoman may be seen by looking at the table on p. 18. There has been an increase in circulation upon last year of 16,000 scriptures.

One of our Auxiliaries has passed a resolution that their annual meeting in January, 1911, shall be a celebration of the Tercentenary of the Authorised Version of our English Bible. Others will, no doubt, follow this excellent example.

#### REVENUE.

The finances of the Society are managed with care and skill. Tentative budgets have given place, thanks to the loyalty of Auxiliaries, to budgets that are valid and reliable guides to income and expenditure. In the budget submitted to the General Board at the beginning of our year, the income of expectation was \$40,100.00, and the income realized amounted to \$37,400.00. The expenditure anticipated was set down as \$20,200.00; and the actual outlay amounted to \$20,800.00.

In previous reports attention has been called to the element of speculative outlay, so to speak, as the necessity of an enterprise of such magnitude and laying foundations for future undertakings as ours has been doing. That outlay is steadily justifying itself by accomplished results; and we believe the future has yet ampler justification in store of the statesmanship, which has been as vigilant in this, as it has been energetic in other departments of our activity.

As an instance of this jealous regard for economy may be cited the decision of the General Board at St. John in March 1909, that the meetings of the Board be on alternate years, instead of annually, unless emergent business should call for a

special meeting. Accordingly we can confidently appeal to the liberal sympathies of those who seek, in Canada and elsewhere, the widening of the kingdom of our Lord and Saviour Jesus Christ.

## THE PARENT SOCIETY.

### TRANSLATION AND REVISION.

During the past year versions in six fresh languages have been added to the Society's ever-lengthening list.

All six languages have been reduced to written form in order that they may become vehicles of the Gospel.

In publishing these new versions the Society serves various sections of the Christian Church. Kanauri will be used by Moravian missionaries, and Rabha by American Baptists; Ora will help to nurture a Mission which may be called a grandchild of the G.M.S., for it is the offspring of the Niger Delta Pastorate of the Anglican Church. Ndau will serve both the American Congregationalists of the A.B.C.F.M. and the South Africa General Mission. In the Southern Seas Lau is used by the Melanesian Mission and Mailu by the L.M.S.

The number of complete Bibles on the Society's list remains 105—the figure last year. But the New Testament has now been completed in three additional versions: in *Bicol*, one of the chief languages of the Philippines, used by the American missionaries in that Archipelago; in *Dobu*, spoken on an island off the east coast of New Guinea and employed by the Australian Methodist Mission; and in *Shambala*, a language of German East Africa, used by the German missionaries there. These three raise the number of complete New Testaments to 102. There remain 211 other languages in which only some part of the Testament has as yet been printed, making up the total to *four hundred and eighteen different languages*, in which the Bible Society has promoted the translation, printing, or distribution of at least some part of Holy Scripture.

### TOWARDS UNITY.

At the Lambeth Conference last year, the assembled Bishops made an indisputable pronouncement: "The waste of force in the mission field calls aloud for unity." It is the privilege of our Society to draw Christians of different communions into united service so that they may secure a common version of the Charter

of their faith. During the last twelve months this principle of union has found fresh opportunities for practice.

The Society has devoted money and pains without stint to produce versions acceptable to Jews. No form of speech gives rise to more perplexing problems than the spoken language of the Jews in Central Europe, commonly known as Yiddish, which is current in various dialects. Our Society has translated the whole Bible into Yiddish, and has printed the New Testament and part of the Old. With the consent of the Rev. Marcus S. Bergmann, it has now been decided to produce a unified standard Yiddish Bible, based on his own version, and embodying whatever is best in other versions. We are deeply indebted to him for uniting with other scholars in this work, which will be produced and published by our Society.

A similarly unified version is on foot in West Africa, where the Scriptures had already been printed in three dialects for the Ibo tribes. The New Testament in "Union Ibo," prepared by Archdeacon Dennis of the C.M.S. at the expense of our Society, has just been printed. He hopes to complete the Ibo Bible on the same lines.

In the Transvaal and Rhodesia efforts are being made to secure a uniform system of orthography among the Missions working there. In South Africa the Society has also sought to encourage a movement towards the union of the two great Kafir versions. In China the translators of the "Union" versions in Wênli and Mandarin are making steady progress with the Old Testament.

For European immigrants into Canada the Society has just increased its numerous diglot editions by publishing St. Matthew in Yiddish and English, and the New Testament in Ruthenian and English; it has also printed the Lithuanian Bible specially transliterated into Roman characters.

The new edition of the Hebrew Bible goes forward steadily under Dr. C. D. Ginsburg, the learned Orientalist. The Pentateuch has been issued and received with a chorus of praise.

For the blind the Society has at least some embossed portion of Scripture now available in thirty-one different languages: St. Matthew and St. Mark in Mandarin, the Psalter in Urdu, and St. Luke in Foochow, were completed during the year.

### THE YEAR'S ISSUES.

The year's issues now to be reported amount altogether to 5,934,711 volumes—and consist of 884,195 Bibles, 1,116,674 New Testaments, and 3,933,842 Portions of Scripture.

This total is 426,330 in excess of the output in the previous year, but it was surpassed by the figures announced in 1903 and in 1906. The Society's annual issues, however, have never yet quite reached 6,000,000 books.

### FOR CHRISTIAN MISSIONS.

Wherever the unrest of humanity grows acute we discover fresh openings and opportunities for the Gospel. In the words of an experienced observer; "Missionary work began by detaching men, one by one, from the old systems; now we are running great seams of disintegration through the old institutions and organizations—we are beginning to feel the gathered momentum of the past." The Bible Society has its own mission. Its silent messengers enter countries like Abyssinia, Nepal, and Tibet, where missionaries fail to penetrate. When, for example, it provides New Testaments and Gospels for the children of Coptic schools in Egypt and State schools in Bulgaria, it meets a need which ordinary missions fail to supply. By circulating last year 150,000 copies of the Scriptures in South America, it is leavening a continent which most missions neglect. And everywhere in the broad foreign policy of the Christian Church it plays an indispensable part. Our representative in Canada has declared that what a road-bed is to a railway the Bible Society is to missionary enterprise. "No reliable road-bed, no permanent train service; no well-sustained Bible Society, no permanence in missionary advance."

### COLPORTAGE.

The colporteurs may belong to many different communions; but they can always bear simple, heart-felt testimony to the power of the Gospel which they distribute, and their experiences are as variegated as their dress and their speech.

Last year our colporteurs were arrested as spies in Nicaragua; robbed and reviled in Burma, bitterly mocked by social democrats in Germany, driven out of villages in Peru by priests who burnt their books, stoned in remote corners of the Phillipines, beaten by Moslems in Baluchistan. In the awful earthquake at Messina a colporteur with his wife and children escaped—bruised, wounded, half-naked, penniless, but saved.

Yet, in spite of solitude and hardships and dangers, these Bible-sellers find compensations and encouragements of their own.

In response to a united request from the five Protestant missions in Madagascar, our Committee have just undertaken to employ twenty-four Malagasy colporteurs, who will sell the Scriptures in the villages and markets of that great island.

#### THE YEAR'S EXPENDITURE.

The total payments from the General Fund for the past year have been £236,562.

The amount spent from the General Fund on colportage has increased by £2,342, chiefly in India, China, Korea, and Japan. Other items of expenditure show an increase amounting altogether to £1,878.

The Committee have laid out £102,876 in producing editions of the Scriptures: this is £2,688 more than in the previous year.

#### THE YEAR'S RECEIPTS.

On the other hand, the General Fund receipts were £237,313—a falling off of £2,237 from the previous year.

The total receipts from sales during the year have amounted to £92,265, which is £1,462 less than in 1907-8.

#### FREE CONTRIBUTIONS.

The Free Contributions from Auxiliaries at home and abroad have been £68,660—a decrease of £4,450. Of the decrease, £1,134 appears in the receipts from Auxiliaries in England and Wales, while the Colonial Auxiliaries have paid in £3,316 less than in the previous year. More than £2,000 of this Colonial decline is due to the fact that the Canada Auxiliary has been involved in unusually heavy expense by the rapid growth of organized Bible work within the Dominion. Australia has sent £2,794, and New Zealand £1,620. The Hibernian Bible Society's contribution has risen to £1,500.

#### A SMALL BALANCE.

Payments and receipts under sundry Special Funds raised the Society's Total Expenditure last year to £237,041, and the Total Receipts to £238,040, leaving the small net balance on the past year's working of £999.

Since its foundation in 1804 the Bible Society has issued over 215,500,000 copies of Scripture.

## Summary of Auxiliaries

### DISTRICT I.

Comprising the Auxiliaries of Newfoundland, Nova Scotia, New Glasgow, Pictou, Prince Edward Island, Miramichi, Fredericton, and New Brunswick with an aggregate of 306 Branches.

DISTRICT SECRETARY: Rev. G. M. CAMPBELL, D.D., St. John, N.B.

#### NEWFOUNDLAND.

*Patron, His Excellency the Governor, Sir Ralph Williams.*

*President, Hon. H. J. B. Woods.*

*Secretaries, Rev. J. Thackeray and Mr. J. Leamon (acting).*

*Centre at St. John's, with 24 Branches, and one Depository.*

Sir William McGregor's departure is a heavy loss. He was an ardent supporter of all Bible Society work; and often spoke *con amore* of the Bible, its value and its influence. He is succeeded as patron by the new Governor, Sir Ralph Williams. The strength of the Auxiliary is directed upon Bible distribution within the boundaries of the island colony. Some day the imagination and sympathy of our Newfoundland friends will claim an active share also in the Society's work in the world beyond.

† The Rev. L. W. Parker, of Truro, visited the Branches instead of Rev. Dr. Campbell towards the close of the year.

While this report is passing through the press, the Rev. R. J. Bowen is on his way to Newfoundland to visit the churches there of the Anglican communion.

#### NOVA SCOTIA.

*Hon. President, His Honour, Lieut.-Governor Fraser.*

*President, Rev. S. F. Huestis, D.D.*

*Vice-President, Mr. John Burgoyne.*

*Secretary, Rev. Canon Almon, M.A.*

*Treasurer, Mr. C. A. Prescott.*

*Travelling Secretary, Rev Lewis W. Parker, Truro.*

*Centre at Halifax, with 148 Branches, and 12 Depositories.*

With the new financial year Nova Scotia changes its connotation, as New Brunswick does. No longer signifying the Auxiliary at Halifax, it denotes now the Auxiliary of Pictou as well. One day we may hope it will include also the Auxiliary of New Glasgow, which has not yet seen its way to consolidate with the other two. We look to the new provincial Auxiliary confidently for a wider service, when it will have courageously embraced the larger opportunities of colportage within the province. An excellent beginning has been made among the strangers and foreigners; and none will see more readily than those in charge of our affairs the extensive fields that are there whitening to the harvest.

The Auxiliary has contributed \$1,800.00 to the Society, \$900.00 to the C. B. S., and \$900.00 to the B. F. B. S.

#### NEW GLASGOW, N.S.

*President, Senator McGregor.*

*Treasurer, Mr. J. C. McGregor.*

*Secretary, Rev. G. Ernest Forbes, B.A.*

*With 2 Branches.*

The long history of this Auxiliary is an ever fresh inspiration to its friends. The aid sent last year to the C. B. S. amounted to \$445.54.

# PICTOU, N.S.

*President, Rev. L. H. McLean.*

*Secretary, Rev. W. McNally.*

*Treasurer, Mr. E. L. Armstrong.*

*With 6 Branches and 1 Depository.*

Illness has compelled Mr. Fraser to resign his secretaryship to the great regret of his colleagues, and Mr. McNally has been appointed his successor.

# PRINCE EDWARD ISLAND.

*President, Mr. W. S. Louson.*

*Secretary, Mr. J. Seaman.*

*Treasurer, Mr. A. W. Stems.*

*Centre in Charlottetown, with 23 Branches.*

The Committee in Charlottetown are alive to the problems of their island home. They are extending their organization: four Branches have been added during the year; and a new sense is being felt of the scope of local work. At the moment they have under consideration the possibility of encouraging colportage within their borders. Should they decide for local undertaking the effect will be to heighten "values" in their minds and make their auxiliary a yet more active integer in the Society at large.

# MIRAMICHI, N.B.

*President, Mrs. Snowball.*

*Secretary, Mrs. Aitken.*

*With 4 Branches and 2 Contributing Districts.*

# FREDERICTON, N.B.

*President, Mr. J. W. Spurden.*

*Vice-President, Mrs. A. F. Randolph.*

*Secretary-Treasurer, Mr. Chas. A. Sampson.*

*With 6 Branches.*

# NEW BRUNSWICK.

*President, His Honour Judge Forbes.*

*Treasurer, Mr. Thomas H. Sommerville.*

*Secretary, Mr. George A. Henderson.*

*Centre at St. John, with 91 Branches and 1 Depository.*

The consolidation of the Auxiliaries into one for the whole province has been the outstanding attainment of the past year. This is a real triumph for unity of spirit, counsel, and purpose. May the life of the larger organization be gifted with length of days and crowned with a record of noble service.

There has been no interruption of the normal activities. Revenue provided for Bible work has been augmented. Colportage has been sustained.

The new Auxiliary for New Brunswick:

The officers are as follows:

*Honorary President—Rev. C. Stewart, D.D., Sackville, N.B.*

*President, Hon. Judge Forbes, St. John, N.B.*

*Vice-presidents—Col. J. D. Chipman, St. Stephen, N.B.; Dr. H. C. Creed, Fredericton, N.B.; T. P. McLaughlin, M.P.P., Chatham, N.B.; J. S. Armstrong, Esq., C. E. Rothesay.*

*Treasurer—T. H. Sommerville, Esq., St. John, N.B.*

*Secretary—George A. Henderson, Esq., St. John, N.B.*

*Executive*—Very Rev. Dean Schofield, Fredericton, N.B.; J. W. Spurdon, Esq., Fredericton, N.B.; Rev. H. G. Kennedy, Woodstock, N.B.; C. E. McMichael, Esq., St. John, N.B.; Rev. S. G. McArthur, Newcastle, N.B.; W. B. Snowball, Esq., Chatham, N.B.; Rev. C. R. Flanders, D.D., St. John, N.B.; J. T. Allison, Esq., Sackville, N.B.

*Chairman of the Depository Committee*—J. Clawson, Esq., St. John, N.B.

## DISTRICT II.

Comprising the Auxiliaries of Quebec, Montreal, Ottawa and Perth.  
*With 382 Branches and 260 Depositories.*

DISTRICT SECRETARY: REV. THOMAS BENNETT, Montreal.

### QUÉBEC.

*President, Mr. Alexander Hyde.*

*Vice-President, Mr. W. D. Sewell.*

*Treasurer, Mr. J. J. Dunlop.*

*Hon. Secretary, Rev. E. J. Stobo.*

*Secretary and Supt. of Colportage, Rev. Wylie C. Clark, B.D.*

*Bible Woman, Miss H. Caron.*

*Depository, T. J. Moore.*

*With 33 Branches and 11 Depositories.*

In the population of Quebec City the Protestants are a small proportion. The committee are unwearied in sustaining the work conducted at the Immigration Sheds by Miss Caron, and through the province by the colporteurs. They are trustees of the moneys generously donated for both purposes by the Upper Canada Auxiliary and by the Canadian Bible Society. A total of 31,716 Scriptures were circulated last year.

### MONTREAL.

*President, Rev. Principal W. I. Shaw, D.D., LL.D., D.C.L.*

*Vice-Presidents, Dr. Alex. Johnson, Rev. Dr. Edgar Hill, Right Rev. Bishop Farthing, M.A., D.D., Rev. Professor R. E. Welsh, D.D., Rev. J. A. Gordon, D.D., Rev. Hugh Pedley, B.A.*

The new Bible House is answering expectations. In this admirable building Montreal has set a model for other strong Auxiliaries. Interest and devotion are apparent in their work. We believe that a new departure is about to be made in local colportage, and that the enterprise of the Committee will be gratified by abundant usefulness.

The Ladies' Association have carried on their work with much interest and zeal.

### OTTAWA.

*Hon. President, Mr. George Hay.*

*President, Rev. W. D. Armstrong, D.D.*

*Secretary (Corresponding), Rev. A. A. Cameron, D.D.*

*Treasurer, Mr. J. Gibson.*

*Field Secretary, Mr. D. McElroy.*

*Depositories, Messrs. Jas. Hope & Sons.*

*With 160 Branches and 130 Depositories.*

The plan of congregational responsibility inaugurated a year ago is fulfilling the hopes of its birth. This year the interest taken in the Society's operations has extended and deepened; and the officers are sanguine for the future. The president has devoted not a little energy to sustaining and deepening this active sympathy. At the Annual Meeting the Field Secretary was able to report a successful year.

## PERTH

*President, Rev. Blundell.  
Secretary, Mr. G. E. Armstrong.  
Treasurer, Mr. A. T. Wilson.  
Depositary, John Hunt.*

*With 4 Branches, and 1 Depositary.*

## DISTRICT III.

Comprising the Upper Canada and the Western Ontario Auxiliaries with 644 Branches and 211 Depositories.

## DISTRICT SECRETARIES.

REV. W. E. HASSARD, B.D., Toronto.

REV. R. J. BOWEN, London, Ont.

## UPPER CANADA.

*President, N. W. Hoyles, Esq., K.C., LL.D.*

*The Vice-Presidents include the Lieut.-Governor of Ontario, the General Superintendent of the Methodist Church, the Bishop of Toronto, the Heads of the various Colleges and others.*

*Hon. Secretaries, W. J. Robertson, Esq., W. F. Chapman, Esq.*

*Permanent Secretary, Rev. Jesse Gibson.*

*Business Manager, Mr. George Sauer.*

*Centre in Toronto, with 544 Branches and 210 Depositories.*

The territory for which this Auxiliary is responsible is far spread, and the population grows every day. The enterprise of its committee is well known, and the report for the year indicates another high water mark. Its response to the world wide work is beyond praise: \$3,000.00 to the colportage and immigration work in Quebec, and \$16,000.00 to the general funds of the Canadian Bible Society.

The Annual Report of the Auxiliary is full of evidence of the vigour with which the work is being prosecuted. Two points we notice: an interesting account of the new North Land, and a fine statement of the relation between missionary advance and Bible Society support.

## WESTERN ONTARIO.

*President, Vevy Rev. Dean Davis, D.D.*

*Hon. Secretaries, Rev. Principal Waller and Mr. B. Cottam.*

*Treasurer, Mr. Edward Towe.*

*Permanent Secretary, Mr. A. E. Jerdon.*

*Centre in London, Ont., with 90 Branches and 1 Depositary.*

The year has been a good one. Last year's success has been repeated. and gives good hope of yet greater things in the current year.

## DISTRICT IV.

## MANITOBA AND SASKATCHEWAN.

Comprising the Provinces of Manitoba and Saskatchewan.

*President, Mr. Thos. Ryan.*

*Vice-Presidents, Rev. E. A. Henry, B.A., M.C.S., Mr. Albert Turnbull.*

*Treasurer, Mr. W. M. Gibson.*

*Depositary, Mr. Peter McGregor.*

*Centre in Winnipeg (294 Smith Street), with 300 Branches and 20 Depositories.*

DISTRICT SECRETARY: REV. E. J. B. SALTER, Winnipeg.

Seventy-five new branches have been formed; and this addition is sig-

nificant of the energy with which throughout the district the work is being conducted. A beginning was made in the large German community; and here developments are likely to take place soon. The settlement of a site for a Bible House is delayed.

## DISTRICT V.

### ALBERTA.

*Patron, His Honor, Lieutenant-Governor Bulyea.*

*President, Mr. A. J. Sayre.*

*Vice-Presidents, Messrs. John D. Higginbotham, A. P. Cushing, B.A. Revs. Canon Stocken and C. H. Huestis, M.A.*

*Secretary, Mr. W. H. Coupland.*

*Treasurer, Mr. Hugh Neilson.*

*With 60 Branches and 5 Depositories.*

DISTRICT SECRETARY, REV. C. D. CAMPBELL, B.D., Edmonton.

This is the first complete year of the youngest of the Auxiliaries. Foundations are being painstakingly laid. There is much to encourage us looking for a lusty growth. Mr. J. E. Irvine, who has presided over its early days and whose departure from Calgary will be much regretted, is succeeded by Mr. A. J. Sayre.

## DISTRICT VI.

### BRITISH COLUMBIA.

*President, Rev. C. C. Owen, B.A.*

*Vice-Presidents, Rev. Peter Wright, D.D., His Honour Judge Grant, Messrs. D. M. Fraser, W. Hepburn, D. S. Curtis, and N. Shakespeare.*

*Secretary,*

*Treasurer, J. P. D. Malkin, Esq.*

*Depository, 1177 Granville Street, Vancouver.*

*With 10 Branches and 1 Depository.*

DISTRICT SECRETARY: REV. J. KNOX WRIGHT, B.D., Vancouver.

The appointment of District Secretary has just been made. Mr. Wright has entered upon his duties with the beginning of the year. He has the ardent sympathy of many in the responsible position; for it is in some respects more difficult than any other. Colportage is engaging the earnest consideration of the Committee.
